INTRODUCTION AND OVERVIEW

This section includes the City Manager’s Budget Message, priorities and issues, strategic goals, vision for the future, and an overview of the budget:

City Manager’s Budget Message.....	7
Budget Overview.....	8
Priorities and Issues.....	10
Strategic Goals.....	12
Budget Ordinance.....	17
About East Point.....	19
East Point Quick Facts.....	21

Financial Structure Policy & Process

This section provides the organization chart for the City, fund descriptions and structure, basis of budgeting, financial policies and the budget process:

Organization Structure.....	31
Financial Policies.....	32
Fund Description.....	38
Fund Structure and Basis of Budgeting.....	41
How to Use this Budget.....	43
Budget Process.....	45

Financial Summaries

This section presents information on the income and expenditures of the city for all its major funds, including fund balance reconciliation and revenue trends:

Consolidated Financial Schedule.....	51
Three Year Consolidated Fund Schedules.....	52
Fund Balance Summary and Reconciliation.....	58
Revenue Assumptions.....	61

Capital & Debt

The section presents the approved capital projects for the current budget year as well as the next five years, long range financial plans, capital impact statement and a debt summary of existing lease and borrowings:

Long Range Financial Plan.....	68
Capital Expenditures Definition and Criteria.....	69
Capital Expenditures.....	72
Debt Service Summary.....	78

DEPARTMENTAL INFORMATION

This section provides information relative to each department. The following elements make up the department’s profile: Mission Statement; Description; FY 2018 Goals and

Objectives; Key Performance Objectives and Key Performance Measures:

Positions and Benefits	81
City Attorney	85
City Clerk.....	87
City Manager.....	92
Contracts & Procurement.....	95

MAYOR
JANNQUELL PETERS
COUNCIL MEMBERS

May 15, 2017

Honorable Mayor and Council Members:

Ward A
SHARON D. SHROPSHIRE
ALEXANDER GOTHARD

Attached hereto for your review and consideration is the Proposed Operating and Capital Budget for Fiscal Year (FY) 2018 for the City of East Point, Georgia. This proposed budget is consistent with Section 50101 of the City of East Point Charter and state law which requires it to be a balanced budget across all funds. Fiscal Year 2018 revenues across all funds are budgeted at \$155,675,818 and expenses are budgeted at \$145,846,215; General Fund revenues are budgeted at \$39,773,529 with expenses budgeted at \$39,663,643.

STEPHANIE GORDON

This fiscal year's budget continues the investments in improving our infrastructure and service delivery to the tax and rate payers. Incorporated in this budget is the installation of the Advanced Metering Infrastructure (AMI) projects for water and electric; the start of construction for the new City Hall Building; Transportation system upgrades throughout the City via the Transportation Special Purpose Local Option Sales Tax (TSPLOST); as well as construction of a new Fire Station #4 and added Training Center on Ben Hill Road. Also incorporated in this year's budget are incentives to increase the numbers of Firefighters and Police Officers to our public safety force, a living wage for our lowest paid employees, a cost of living adjustment for all employees, in addition to park improvements and an expansion of our recreational programs. This year represents the first time the City has formed and funded as a separate unit, the 50 Worst Team that will conduct the substandard housing abatement and clean cities initiative and work along with the Blight Task Force data gathering initiative.

CITY MANAGER
FREDERICK GARDINER

Budget Highlights:

The total citywide budget across all funds is proposed at \$155,675,818, which is an increase above the present year's budget of \$148,402,119. This increase can be attributed to the following key projects planned for the upcoming fiscal year:

➤ TSPLOST	\$4,589,740	SPLOST
➤ New City Hall	\$5,750,000	Bond Financing
➤ New Fire Station	\$1,651,979	MCT Funds
➤ AMI	\$1,200,000	Water, Sewer and Electric Fund
➤ Streetscape/Road(LCI)	\$4,725,329	Restricted Grant Funds
➤ Streetscape/Road(TE)	\$4,160,402	Restricted Grant Funds

Last fiscal year saw the initiation of many key projects such as the start of our AMI project with a very successful pilot phase; the Certificate of Participation (COP) with the Georgia Municipal Association (GMA) to fund the development of the new City Hall Building and its associated Bond Rating of A+ for the City of East Point with Standard and Poor's. The City took ownership to four leaf vacuum trucks and two new Sanitation trucks to replace its aging fleet. Also initiated was the long awaited repaving program (Sylvan Road and Cleveland Ave) and sidewalks along Headland Avenue and Delowe Drive. Under last year's budget, all of the City's Information Technology (IT) servers were replaced, which will allow the City to move forward on other key initiatives in the upcoming future, such as an Online Plans and Permitting system and the Enterprise Resource Planning (ERP), which would allow for the integration of many of our

operational activities. The present system has been in place for over 10 years and is in desperate need of replacement. Furthermore, the City successfully completed a rebranding program to include a new Corporate Identification Pack and a new website design.

These key projects when totaled equal \$22,077,450, and when taken from the citywide total budget of \$155,675,818 would equal an annual operating budget across all funds of \$133,598,368. Revenues across all funds exceed expenditures by \$9,829,603, and in the general fund operations, the revenues exceed expenses by \$109,886. There are no increases planned for our millage rate, development and permit fees or our utility rates under this fiscal year's budget.

General Fund Revenues

The proposed FY 18 General Fund Budget revenues are \$39,773,529, which is an increase over the FY 17 budgeted amount of \$36,954,030 as amended. This increase is due in part to a 3% increase in the City's property tax digest as well as a slight increase in the Local Option Sales Tax (LOST). There is also a proposed increase in the Insurance Premium Tax to \$2,100,000 and a slight increase in the License and Permits.

General Fund Expenditures

General Fund expenditures are proposed at \$39,663,643, which represents an increase over the FY 17 budgeted amount of \$36,424,486 as amended. Reflected in this increase is the Living Wages increase with a starting salary of \$13.50; an increase to the Fire Department staffing for firefighters; a 20% increase in health insurance benefits; an adjustment from the pay and compensation study and a 2.05% Cost of Living Adjustment (COLA) for all employees.

What's in the Budget:

Livable Wages – Mayor and Council approved for the first time a resolution to increase the minimum wage in the City of East Point to \$13.50 per hour for this fiscal year with the ultimate goal of reaching \$15.00 per hour in FY 20. With that decision, roughly 106 employees' starting salary increased to \$28,080 and the overall budgetary impact for FY 18 will be \$671,071.

Main Street Streetscape Improvements – There will be improvements along Main Street in Downtown East Point, whereby new sidewalks and a road diet will be installed to slow the rate of traffic flow and provide for a new pedestrian feel. This project is funded by the Georgia Department of Transportation (GDOT) with federal transportation enhancement funds. This project is now proposed "to be let" for construction by GDOT in October 2017 with construction to commence shortly thereafter.

New City Hall Building – Over the last year, the staff has been working with the architects through the design concept phase of the construction process. Within FY 18, it is anticipated that the process will move through construction drawing and into the building phase. The City is working with the Georgia Municipal Association (GMA) Certificate of Participation (COP) program to seek bond financing (not to exceed \$17 million limit).

New Ben Hill Fire Station and Training Facility – The Old Fire Station #4 has become obsolete, and the City is looking to capitalize on the additional properties behind the station for a training facility. This will save money in regard to outside training cost and provide a safer working and living environment for our firefighters.

Blight Plan Initiative – The City is providing funding for the demolition of roughly 15 to 20 properties this fiscal year. There has been a comprehensive strategic plan presented to the Mayor and Council to push back on blight in our community. For the first time, The Blight Task

Force and 50 Worst Properties Program will be funded as a separate component of the Building Department. Staff has been allocated and trained to implement the program.

TSPLOST – This past November, voters of East Point and Fulton County approved a Special Purpose Local Option Sales Tax referendum to set aside roughly \$34 million dollars over five years for Transportation Improvements such as paving of roads, intersection improvements, sidewalks and a multi-use trail system. It is estimated that the City will receive roughly \$6.9 million per year over this time frame.

Advanced Metering Infrastructure (AMI) – The City has installed all the required equipment for transmitting and receiving signals from the new meters for the AMI project. Under the FY 18 Budget, it is anticipated that all old water meters will be upgraded to the new AMI meter and all commercial electric and selected residential meters will be upgraded. The overall cost of this project is \$3.1 million, with an estimated \$1.2 million to be expended over this budget period.

Public Safety Incentive Program – Public Safety under this budget will see an increase of \$486,000 to assist with the recruitment and retention of police officers and firefighters. The plan includes creating an education reimbursement program; a pay increase; additional contribution to retirement and additional pay for certifications. Within the Police Department, this program will be funded with the reallocation of funds from existing vacant positions. Within the Fire Department, there will be additional funds allocated in the general fund.

Cost of Living Adjustment (COLA) – Management is requesting a two percent (2.05%) COLA for all employees over the next fiscal year. If approved, this COLA will be the third the Mayor and Council have approved under the present City Manager.

New Recreational Soccer Programs – The City has a Memorandum of Understanding with the Georgia Soccer Park whereby the City will utilize \$500,000 of its Hotel/Motel funds dedicated toward Tourism Product Development to construct a building containing restrooms, offices, and concessions. Under the MOU, the City will host its first recreational soccer program.

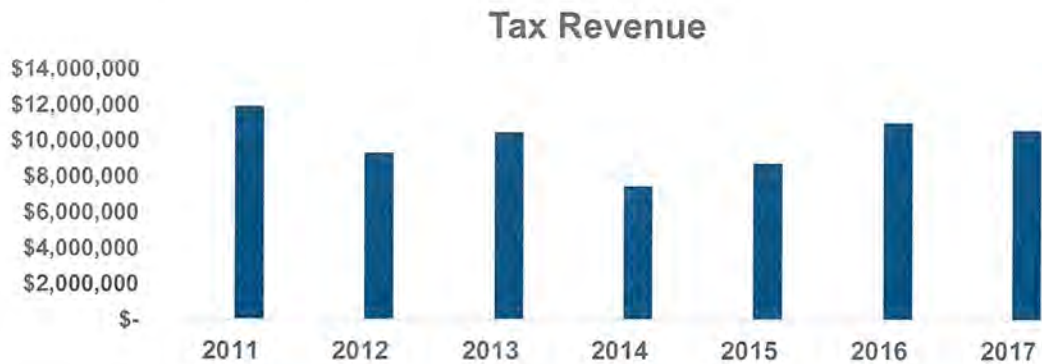

New Recreational Center Study – This year, it is the goal of the Parks and Recreation Department to study the feasibility of a new recreation center. Presently, the City of East Point operates just one (1) center; however, in the past, the City operated two major recreational centers. The budget provides roughly \$150,000 to conduct a study that would look at the cost, structure and location best suited for the facility.

Revenue Increases

For the third year, the City of East Point will attempt to increase the level of service provided to the tax and rate payers without any additional cost. The proposed revenues from taxes, rates and fees, fines and licenses include no new fees. General Fund – The major source of revenue increase in the fund comes from the continued rise of property value (estimated at 3%) and new businesses locating to the city. Also, illustrated in this budget is the new formula for cost allocation completed by The Maximus Group last year. The study revealed that the General Fund was not capturing the full cost of support services provided to other departments. The FY 18 budget now addresses this discrepancy which results in a more accurate distribution of administrative cost. The graph below highlights the amounts and sources of revenues for the fiscal year across for the total budget.

Two Year Budget By Fund			
Fund	FY17 Amended Budget	FY18 Proposed Budget	Change
General Fund	36,954,030	39,773,529	2,819,499
Police Condemned Fund	95,000	292,008	197,008
E-911 Fund	1,248,746	1,479,346	230,600
Restricted Grant Fund	11,338,459	11,190,623	(147,836)
Grant Fund	63,411	119,810	56,399
Camp Creek TAD District	3,366,600	3,501,264	134,664
Hotel/Motel Fund	3,865,524	4,200,000	334,476
TAD Corridors Fund	340,000	340,000	-
Government Center	724,786	1,050,000	325,214
CIP Project Fund	12,836,206	10,860,421	(1,975,785)
TSPLOST Fund	-	4,589,740	4,589,740
50 Worst Properties Fund	-	500,000	500,000
Water & Sewer Fund	23,411,972	23,153,150	(258,822)
Electric Fund	47,719,906	47,257,812	(462,094)
StormWater Utility Fund	2,121,267	2,164,115	42,848
Solid Waste Fund	4,316,212	5,204,000	887,788
Total Budget	148,402,119	155,675,818	7,273,699

Besides the increase in restricted grants, we propose an increase in the general fund revenues primarily from business license and business insurance.

Priorities and Issues

Health Care

This year we have received notice of increased cost for health insurance coverage provided to employees. Per plan details, 89% of employees utilized their health insurance plan last year which included filing claims for covered services. Thus, our health insurance provider Kaiser, while still the lowest carrier, has served us notice of a premium increase. This increased cost was absorbed by the City, thereby keeping our employees' payment level at the same rate as the last two years.

Staffing

Staff retention continues to be a challenge for some of our departments. With our focus on service quality we find it necessary to add some additional personnel in some areas. We have commissioned a job compensation study to determine where we rank in the market for many highly recruited positions and we are also internally reviewing ways to further compensate our employees to improve on our retention rate.

Accrued Leave Time

High turnover and existing vacancies lead to overtime and compensation time expense. Furthermore, the accumulation of comp time poses a financial threat when not fully utilized by employees. To alleviate this problem we are urging all departments to fill all existing vacancies as promptly as possible and to be mindful of when overtime is necessary.

Capital Investment

Our Capital Investment Budget will show a careful funding strategy for many of our projects. Our goal is to minimize the burden of implementation on the General Fund as much as is possible. The renovation of the auditorium will come from the Hotel/Motel tax revenues and upon completion, the restored auditorium is expected to be a revenue generator for the City. Construction of a New City Hall will eliminate a half million dollars per year that the City presently spends on leasing space for its administrative offices. The proposal is to fund this project with revenue bonds that will in turn be serviced through savings from office lease expenditures.

Depreciation of Buildings and Equipment

Because many of our buildings over the last 10 years have been neglected, we are now faced with the task of renovating and replacing these aging structures. The Old City Hall Block, the Law Enforcement Center (LEC), Public Utilities Facility and plants will all need to be evaluated, renovated or replaced.

STRATEGIC GOALS

Mayor and Council and senior staff identified strategic goals for the next three years and also identified areas of priorities. These strategies are intended to help with many of the problems with which the City is faced. To address these issues the following goals were agreed to with established timelines:

Customer Service – To continue improvements in the level of service offered to customers, both external and internal.

Economic Development – To attract, retain and revitalize economic engines in East Point, and to develop and implement a small business incentive program.

Education and Learning – To be a model city of learning for City employees and the community, working towards the establishment of a youth council and moving forward with the joint learning committee's goals and objectives.

Infrastructure – To continue the assessment of the utility infrastructure and drains, and to perform storm water management and mapping (GIS) functions.

Marketing – To create professional brochures and marketing materials which will identify and display positive attributes of the City to facilitate smart growth and business investment.

Parks and Recreation – To continue implementation of the 10-year plan for the upgrade and maintenance of park areas, and to implement the master trail system plan and expand upon our AAU recreation programs (recreational soccer).

Public Safety – To attract and retain the best public safety employees who use up-to-date technology to ensure the City can deliver the best practices to improve safety for neighborhoods and businesses, and to start providing incentives for public safety officials to purchase homes and live within the City of East Point.

Public Works – To facilitate proper maintenance of city-owned properties, assets and infrastructure (moved funding for the Building and Grounds Division of Public Works to facilitate the update and maintenance of all City buildings).

Technology – To continue the upgrade and maintenance of a state-of-the-art technology information system – linking all City buildings via fiber and bringing online servers and systems.

BUDGET OVERVIEW

Proposed Revenue & Expenditure by Fund			
Fund	Revenues	Expenditures	\$Change
General Fund	\$ 39,773,529	\$ 39,663,643	\$ 109,886
Confiscated Assets	\$ 292,008	\$ 292,008	\$ -
E911	\$ 1,479,346	\$ 1,479,346	\$ -
Restricted Funds	\$ 11,190,623	\$ 11,190,623	\$ -
General Grant Funds	\$ 119,810	\$ 119,810	\$ -
Camp Creek TAD District	\$ 3,501,264	\$ 1,651,125	\$ 1,850,139
TAD Corridors	\$ 340,000	\$ 61,500	\$ 278,500
Hotel/Motel	\$ 4,200,000	\$ 3,912,500	\$ 287,500
Government Center	\$ 1,050,000	\$ 1,050,000	\$ -
Capital Projects	\$ 10,860,421	\$ 10,860,421	\$ -
TSPLOST (new)	\$ 4,589,740	\$ 3,729,006	\$ 860,734
50 WORST(new)	\$ 500,000	\$ 500,000	\$ -
Water & Sewer	\$ 23,153,150	\$ 20,982,045	\$ 2,171,105
Electric	\$ 47,257,812	\$ 43,155,454	\$ 4,102,358
Storm water	\$ 2,164,115	\$ 1,995,782	\$ 168,333
Solid Waste	\$ 5,204,000	\$ 5,202,950	\$ 1,050
Total of All Funds	\$ 155,675,818	\$ 145,846,215	\$ 9,829,603

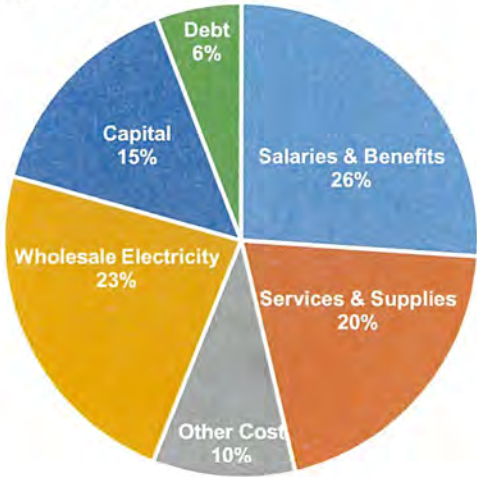

As illustrated above, the General Fund revenues exceed expenditures by \$109,886. There has been a jump in real property tax revenue, which is a key indicator that home values across the City are improving. Expenditures within the General Fund have increased; however, this is due in part to health care and pension related expense being recognized. The proposed budget is balanced. Expenditures for general fund, Debt Service and Grant funds and Capital outlays are appropriated.

Expenditures All Funds

As illustrated in the chart below, the expenses throughout all the City funds are highlighted with the majority of our expenses being paid to salaries and benefits for our 480+ employees. Second is the cost associated with the operation of East Point Power, which comprises 23% of the total cost of the annual budget. This power purchase is then sold back to the City’s customers, both residential and commercial. For the fiscal year, a large portion of our expenditures is captured in the capital projects, and as explained in earlier sections of this letter, there are five major projects that are key to this increase (City Hall, Downtown Streetscape, Roadway Improvements, the new Ben Hill Fire Station and AMI implementation).

Expenditures All Funds for FY2018

■ Salaries & Benefits ■ Services & Supplies ■ Other Cost ■ Wholesale Electricity ■ Capital ■ Debt

Departments	FY16 Actual	FY17 Amended	FY18 Proposed	Change from FY2017
Executive	11	11	11	0
General & Admin	118	123	127	4
Enterprise Funds	124	124	126	2
Internal Fund	59	60	61	1
Public Safety	262	263	258	(7)
Total Positions	574	581	581	0

PERSONNEL

For Fiscal Year 2018, there are seven new positions proposed across all funds. It is anticipated that these positions will assist with improving efficiency and customer service levels (internal and external) in the departments.

These new positions are (1) a GIS Technician, (2) an engineer for the Water and Sewer Department, (3) a manager in the Solid Waste Department and (4) an assistant permits coordinator in the Planning and Community Development Department. Finally, with the creation of the 50 Worst Properties fund, three of our current employees trained in the removal of asbestos will work primarily with that project. Thus, we are proposing to rehire (3) three laborers in the Buildings and Grounds department to replace those persons.

The proposed new positions are:

G&A 1 Assistant Permit Coordinator, 3 Laborers
Enterprise Fund 1 Water Engineer, 1 Storm Water Manager
Public Safety (7) positions reclassified
Internal Services 1 GIS Coordinator

Basis of Accounting

The City uses several funds to ensure compliance with Accounting principles and regulations. Major funds are the General Fund, Hotel/Motel Fund, Emergency 911 Fund, Special Revenue Fund and Condemned Fund. Income and expenditures into these funds are accounted for using a modified basis of accounting (governmental accounting). In addition, the City maintains four Enterprise funds detailed here. Enterprise funds use the accrual basis of accounting.

ENTERPRISE FUNDS

Electric Fund

East Point Power’s main mission is to provide quality electrical energy to its 15,000 customers. In order to accomplish this mission, regularly scheduled maintenance to the Electrical Distribution System must be performed on a yearly basis.

The AMI/AMR system project was kicked off under the FY 2016 budget; the pilot phase was completed under the FY 2017 budget and we are anticipating the completion of this project

under the FY 18 budget. This project will automate all electric meters so that meters can be read from one central location. This system will improve overall efficiency and effectiveness in the Electric Department.

As with last year, key projects for the Electric Department for the upcoming budget year will continue to be the following: (1) the replacement of critical substation equipment that has exceeded the recommended life span for reliable usage, 2) continuing the Tree Trimming Program, as it has proven to be very effective in helping to maintain the overhead electrical system 3) replace aging streetlights with LED streetlights and 4) conduct a preliminary electric systems study.

A contracted crew has been retained to assist the City crew in effectively trimming our tree system and removing dead trees that are endangering power lines. This maintenance will help eliminate power outages to our customers and aid in attaining positive data used for marketing when seeking new customers. This, in turn, can potentially increase our revenue stream.

The upcoming year will see the potential for additional off power sales and with two major warehouse and distribution buildings totaling over one (1) million square feet, there exist opportunities to serve these new customers.

All of these projects require highly trained electrical personnel, dependable electrical distribution construction equipment and vehicles in order to compete as a successful public power utility. We will continue to evaluate this operation and provide recommendations to retain a quality work force and upgrade current equipment to improve operational efficiencies.

Water & Sewer Fund

Three major categories of expenditures must be met annually from revenues:

- Operating expenses,
- Debt service payments, and
- Funding of renewals and replacements and minor capital outlays.

The Water and Sewer Department will continue its work toward a goal of “improving and becoming a world class provider of drinking water to our citizens and customers”. This year, our city was designated as a Water First Community with the Department of Community Affairs. This designation will assist with making sure we can secure low interest loans for system upgrades as well as identifying us as a safe water provider.

The Water and Sewer Department’s major projects are as follows: 1) Water and Sewer will work with Electric Department to implement the AMI system project 2) conduct flow monitoring program 3) conduct water value locations project and hydrant test and 4) implement water distribution loop project. The Water & Sewer Department recently added the Meter Service Division which repairs meters, replaces meters and assures appropriate meter billing.

Solid Waste Fund

Sanitation will continue to operate under its standard normal operation procedures.

Under the **Bulk Waste Amnesty Program**, residents can dispose of their bulk material free of charge twice per year. The schedule for the Bulk Waste Amnesty Program is for one (1) pick up in the spring and one (1) pick up in the fall.

Under the **Commercial Hauler Franchise Fee**, larger commercial entities that produce more than four cubic yards of waste per week are required to utilize private haulers. In return, the City receives 20% of the gross income of the private haulers that service the commercial entities. The Sanitation Department will review for compliance. Staff will be evaluating the reduction of the number of haulers to one, thereby allowing the City to increase revenues and reduce multiple vendors for our customers.

The **Citywide Recycle Program** has been reinstated with Republic winning the bid to host this service. It is estimated that the City will see improved revenues and operations with the service.

TSPLOST Fund

The TSPLOST fund will account for income which comes from the penny sales and use tax. These funds are earmarked specifically for the rebuilding of roads and related pavement infrastructure. The citizens of East Point voted transportation as a major priority. The City of East Point is expected to receive a little over \$34 million dollars over the next five years from the Georgia Department of Transportation for this fund.

50 Worst Properties Fund

In conjunction with our strategic plans to rid the City of East Point of blighted properties, we have created this fund to track the cost of this project and any recuperated revenues.

CONCLUSION

This Fiscal Year 2018 Budget will provide for some long awaited improvements within our downtown area and along our major corridors. Moreover, we have provided for the continued uninterrupted operations of the City government under this proposed budget.

Once again, we are honored to have this opportunity to serve and we look forward to working closely with you and the citizens to build a stronger East Point.

Respectfully submitted,

Frederick Gardiner, AICP
City Manager

Section 2. This ordinance shall become effective immediately and the budget shall be implemented for the Fiscal Year of July 1, 2017 through June 30, 2018

Section 3. Repealer - All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Section 4. Severability - In the event any section, subsection, sentence, clause or phrase of this ordinance shall be declared or adjudged invalid or unconstitutional, such adjudication shall in no matter affect the other sections, subsections, sentences, clauses or phrase of this ordinance, which shall remain in full force and effect as if the section, subsections, sentence, clause or phrase so declared to be adjudged invalid or unconstitutional were not a part hereof. The Council hereby declares that it would not have passed the remaining parts of this ordinance if it had known that such part or parts hereof would be declared or adjudged invalid or unconstitutional.

First Reading - May 15, 2017

Second Reading - June 5, 2017

This Ordinance having been duly advertised and public hearing thereon held, the same adopted and approved by the Mayor and Council of the City of East Point, this 5th day of June, 2017.

Jannquell Peters, Mayor

ATTEST:

S. Diane White, City Clerk

APPROVED AS TO FORM:

Brad Bowman, City Attorney

{SEAL

Georgia

The City of East Point, Georgia is a municipal corporation created and existing under the laws of the State of Georgia and has as its formal name the "City of East Point, Georgia". The City is located in the northwestern portion of the State adjacent to and southwest of the City of Atlanta within Fulton County, Georgia (the "County"). The City was originally chartered on August 10, 1887 and presently has a land area of approximately 18.1 square miles. Like many other cities during the time, the City was named for its position in relation to the railroad. The City is part of the Atlanta Standard Metropolitan Statistical Area, as designated by the Bureau of the Census of the U.S. Department of Commerce. The City is situated at 1,050 feet above sea level, and the terrain is rolling.

The affairs of the City are conducted by a City Council consisting of the Mayor and eight members. Under the City's charter, all legislative powers are vested in the City Council. The Mayor and the other members of the City Council serve four-year terms of office.

No person is eligible to serve as Mayor unless he or she is at least 27 years of age, is a qualified elector of the City and has continuously resided and maintained his or her domicile in the City for at least 2 years immediately preceding his or her election. No person is eligible to serve as a member of the City Council unless he or she is at least 27 years of age, is a qualified elector of the City, is a resident of the ward from which he or she is elected, and has been a continuous resident and domiciliary of the City for at least one year immediately preceding his or her election as a Council member. The City is divided into four wards, and within each ward there are two posts, Post I and Post II. Post I of each ward is filled by election on a ward-wide basis by the qualified voters of each ward. Post II of each ward is filled by election on a city-wide basis by the qualified voters of all ward precincts of the City. The Mayor is elected on a city-wide basis by the qualified voters of all ward precincts of the City.

The Mayor is a member of the City Council and is the ceremonial head and chief spokesperson for the City. The Mayor presides at all meetings of the City Council and has a vote only in the case of a tie vote by the other members of the City Council. The Mayor has the power to veto most actions of the City Council, which veto may be overridden only upon the affirmative vote of five members of the City Council. Under the City's Charter, the City Manager, who is appointed by and serves at the pleasure of the City Council is responsible for the the administration of all City affairs.

Strategic Location

- The City of East Point is a suburban city located in the southwest neighborhoods of Fulton County, Georgia.
- The City is located approximately 7 miles from Downtown Atlanta.

Economic Development Highlights

· Located on the doorstep of the Hartsfield-Jackson Atlanta Airport, East Point is the home to sixteen hotels.

· Located near the Camp Creek Marketplace and along Virginia Ave/Norman Berry, the hotels in East Point include the following:

- Hampton Inn & Suites W Airport
- Courtyard by Marriot
- Regency Inn East Point
- Drury Inn-ATL Airport
- Econo Lodge
- Holiday Inn Atlanta Airport North
- Crowne Plaze ATL Airport
- Country Inn & Suites Atl Airport
- Motel 6
- Homewood Suites by Hilton
- Hilton Garden Inn Atl Airport
- Hyatt Place Airport
- Doubletree by Hilton
- Hampton Inns & Suites N I85
- Fairfield Inns & Suites Atl Airport
- Efficiency Lodge East Point

· Additionally, a new Home 2 Suites by Hilton hotel is currently under construction. The total investment of the hotel is \$4.4 million.

ORGANIZATION OF THE CITY OF EAST POINT, GA

GENERAL BUDGET AND FINANCIAL POLICIES

These policies, once approved by City Council will govern the way the City operates its operating budget. They are in place to ensure that the City of East Point will be able to realize its ultimate goal of ensuring the City's long-term financial ability to deliver quality services.

FUND BALANCE AND STABILIZATION POLICY

This policy establishes guidelines for preserving an adequate fund balance in order to sustain financial stability and to provide prudent management of the City's financial reserves. Fund balance is a surplus of funds accrued from unexpended operating budgets and unanticipated revenues.

Fund equity at the governmental fund financial reporting level is classified as "fund balance." Fund equity for all other reporting is classified as "net assets." Generally, fund balance represents the difference between the assets and liabilities under the current financial resources measurement focus of accounting.

In the fund financial statements, the City's governmental funds report fund balance classifications that comprise a hierarchy based primarily on the extent to which the City is bound to honor constraints on the specific purposes for which amounts in those funds can be spent. Fund balances are classified as follows:

Non-spendable. Fund balances are reported as non-spendable when amounts cannot be spent because they are either (a) not in spendable form (i.e., items that are not expected to be converted to cash) or; (b) legally or contractually required to be maintained intact.

Restricted. Fund balances are reported as restricted when there are limitations imposed on the use either through the enabling legislation adopted by the City, or through external restrictions imposed by creditors, grantors, or laws or regulations of other governments.

Committed. Fund balances are reported as committed when they can be used only for specific purposes pursuant to constraints imposed by formal action of the City Council through the adoption of a resolution. Only the City Council may modify or rescind the commitment.

Assigned. Fund balances are reported as assigned when amounts are constrained by the City's intent to be used for specific purposes, but are neither restricted nor committed. Through Resolution, the City Council has authorized the City Manager or his or her designee to assign fund balances.

Unassigned. Fund balances are reported as unassigned as the residual amount when the balances do not meet any of the above criterion. The City reports positive unassigned

fund balance only in the general fund. Negative unassigned fund balances may be reported in all funds.

The City's policy is to obtain and then maintain a minimum General Fund Balance and a related Stabilization Reserve equal to no more than two months or 16 percent of total annual operating expenditures.

The Stabilization Reserve provides the City with a "rainy day" fund for use in unforeseen, unbudgeted emergency situations, such as rapidly declining real estate values and/or tax collection rates; the loss of a major taxpayer; sudden changes in revenues or spending requirements imposed by the state or federal government; natural disasters or emergency infrastructure failures; or unforeseen litigation.

LONG TERM DEBT FINANCING POLICY

The City of East Point, Georgia (City) recognizes that to maintain flexibility in responding to changing service priorities, revenue inflows, and cost structures, a debt management strategy is required. The City strives to balance service demands and the amount of debt incurred. The City realizes that failure to meet the demands of growth may inhibit its continued economic viability, but also realizes that too much debt may have detrimental effects as well.

The goal of the City's debt policy is to maintain a sound fiscal position and to protect the credit rating of the City. When the City utilizes debt financing, it will ensure the debt is financed soundly and conservatively.

RECOMMENDATION

Debt financing of capital improvements and equipment will be done only when one or more of the following four conditions exist:

- When non-continuous projects (those not requiring continuous annual appropriations) are desired;
- When it can be determined that future users will receive a benefit from the improvement;
- When it is necessary to provide basic services to residents and taxpayers;
- When total debt, including that issued by overlapping government entities, does not constitute an unreasonable burden to residents and taxpayers;
- Determining that the benefits of the improvement exceed the costs, including interest costs;
- Maintaining a debt service coverage ratio which ensures that combined debt service requirements will not exceed revenues pledged for the payment of debt;

- Analyzing the impact of debt service on total annual fixed costs before bonded long-term debt is issued;
- Maintaining total debt service for general obligation debt that does not exceed 10 percent of the net operating revenues. Net operating revenues are all general fund revenues available after accounting for transfers between other City funds;
- The Annual Budget and Capital Improvement Plan should include a statement of sources and uses for long term capital projects including debt service financing schedules and a capital debt capacity analysis;
- Professionals related to the financing transaction should be selected through a Request for Proposal process. Such professionals should include Bond Counsel, Financial Advisor, Underwriters, Placement Agent and Bond Trustee when such applicable services are needed. In no instance should the Underwriter selling and marketing the bonds serve as the Financial Advisor.

ANNUAL OPERATING BUDGET AND CAPITAL IMPROVEMENT POLICY

The Georgia State law requires an annual balanced budget. The adopted budget shall be a balanced budget with anticipated revenues (including appropriated unencumbered surplus) equal to or greater than appropriated expenditures. All funds within the budget shall also be balanced.

The City's Proposed Budget shall be prepared annually by the City Manager with participation of all City Departments consistent with provisions of the City Charter and State Budget Laws. The Budget shall include (1) revenues forecasts (2) personnel costs, (3) operating and maintenance supply costs, (4) general services costs (5) debt service and; (6) capital and other (non-capital) costs.

The budget review process shall include public hearings. At the time the proposed budget is transmitted to members of the City Council by the City Manager, a copy will be made available for public inspection at Jefferson Station and advertised in a local newspaper of general circulation. No earlier than seven days after the proposed budget is transmitted to the City Council and at least seven days in advance of budget adoption, a public hearing takes place to give the public an opportunity to comment on the proposed budget. Notice of a public hearing must be advertised at least fourteen days in advance of the public hearing.

Prior to the first day of the fiscal year, the City Council will adopt an Annual Operating Budget and Five Year Capital Improvements & Action Plan at a public meeting. The annual and CIP budget shall be advertised at least one week prior to the meeting. The

proposed budget is prepared by the City Manager and transmitted to members of the City Council for its review with sufficient time given for the City Council to address policy and fiscal issues.

- **Adoption**

The Budget shall be adopted by the approval of a budget ordinance that specifies the anticipated revenues by appropriate categories, the proposed expenditure totals for each department, each non-departmental expense, and for each fund covered by the budget.

- **Amendments**

Budget amendments **must be approved** by resolution. The budget shall be adopted at the fund/department level, which is the legal level of budgetary control. The current year's budget may be adjusted to reflect changes in local economy, changes in priorities or services needed, and receipt of unbudgeted revenues and for unanticipated expenditures.

- **Balanced Budget**

The Annual Budget consists of operating, debt services, grants, and capital spending. The Annual Budget shall be balanced with anticipated revenues, including appropriated, unencumbered surplus or stabilization reserves, equal to proposed expenditures. All funds within the Budget shall also be balanced. City Council will annually approve the revenues, expenditures, and capital improvements spending for all City fund appropriations.

The Annual Budget will also include operating impacts from the Five Year CIP. The operating impacts should address any one-time or reoccurring cost increases or decreases due to the major capital investment. Capital expenses include both major equipment and infrastructure improvement costs.

- **Planning**

The City will utilize a Decentralized Budget Process. All departments will be given an opportunity to participate in the Budget Process and submit funding requests to the City Manager.

- **Capital**

All Capital Expenditures must be approved as part of each department budget in the Capital Improvement Fund. Before committing to a Capital Improvement Project, the City Manager or his/her designee must verify fund availability.

The Capital Budget provides annual funding for long-term capital projects identified in the Capital Improvement & Action Program (CIAP). During the Annual Budget Process, each department submits its Budget request including operating and capital needs. Upon review of the requests, major capital projects are placed in the Capital Improvements Fund. Other capital outlays are placed in the department's

operating budget. Capital outlay is generally defined as an individual item in excess of \$5,000 with a life expectancy of more than two years but less than 10 years.

Citywide capital improvements are assessed and prioritized based on the City's objectives and goals, the City's comprehensive work plan, and the City's strategic plan.

- **Interim Reporting on the Annual Budget and Capital Improvements and Action Plan**

Periodic financial reports will be provided to enable the City Manager to monitor and control the Annual Operating and Capital Budget and to enable Department Heads to manage the annual appropriations.

These reports will be prepared and distributed to Department Heads and on to the City Manager. Summary financial and budgetary reports should be presented by the City Manager to the City Council no less than quarterly and preferably on a monthly basis.

- **Control and Accountability**

Each Department Head is responsible for ensuring that his/her department expenditures do not exceed budgeted funds. Departments cannot exceed appropriations described in the budget. Failure to achieve budgetary control will be evaluated and investigated by the City Manager.

- **Performance Measures**

The City will integrate performance measures and objectives into the budget document. The City will also develop a system to monitor performance in meeting these objectives.

- **Budget Transfers**

Contingent upon remaining within the confines of the total department budget, each Department Head has the authority to recommend Budget Transfers to the City Manager. Funds within departmental budget line items can be transferred upon the recommendation of the Department Head and with approval of the City Manager. Budget transfers over \$5,000 for operating expenses for Capital Improvements must be approved by City Council prior to any spending or contract purchases.

ACCOUNTING AND FINANCIAL REPORTING POLICY

The City will maintain its accounting records in accordance with state and federal laws and regulations and in a manner to facilitate an efficient audit process. The City will report its financial condition and results of operations in accordance with state regulations and

Generally Accepted Accounting Principles (GAAP) as described in Governmental Accounting, Auditing, and Financial Reporting (GAAFR).

The City's financial accounting system shall be kept in such a manner as to show fully the financial conditions of the City. In addition, the books shall be open to the public during business hours.

The City will maintain a Chart of Accounts that complies with requirements of the State of Georgia and is in accordance with Generally Accepted Accounting Principles (GAAP).

An independent auditor or auditing firm will annually perform the City's financial audit. The auditor must be a Certified Public Accountant (CPA) who can demonstrate that s/he has the capability to conduct the City's audit in accordance with generally accepted auditing standards. The auditor's opinions will be supplemented in the City's Comprehensive Annual Financial Report (CAFR). A copy of the audit will be sent to the State Auditor who will respond with comments regarding compliance. Results of the annual audit shall be provided to the City Council in a timely manner.

The City will attempt to minimize the number of funds. Funds will be categorized in accordance with Generally Accepted Accounting Principles (GAAP) for reporting purposes.

As a part of the audit, the auditor shall assist with the preparation of the required Comprehensive Annual Financial Report (CAFR). The CAFR shall be prepared in accordance with generally accepted accounting principles. The CAFR will be presented in a way to communicate effectively with citizens about the financial affairs of the City. The CAFR shall be made available to the elected officials, creditors, and citizens.

Internal financial reports will be prepared that are sufficient to plan, monitor, and control the City's financial affairs. Monthly accounting reports are meant to transmit information regarding the financial situation of the City. These regular reports are made available to the City Council, City Manager, Department Heads, and other staff as necessary.

REVENUE POLICIES

- 1) The City will aggressively seek state and federal funds that are available for capital projects. The City will not rely heavily on these funds, nor will it utilize funds for general operations;
- 2) The City will give high priority to one-time revenues;
- 3) The City will strive to keep property tax collection in the high 90% range;
- 4) The City will seek to have revenues from user charges cover 100 percent of the costs of providing services;
- 5) A Proportionate-Change Method of forecasting will be implemented. This method calls for projecting each individual source of revenue by analyzing previous years' collection to obtain an average annual rate of change in order to project the next year's revenues;

6) The City will monitor its revenue collections on a monthly basis through reports, which compare actual receipts to monthly allotments. In the event a department is not realizing their projection, Finance will contact the department to inquire as to the extenuating circumstances that may have affected revenues. If the problem is of a serious nature, Finance will work with the department in resolving the problem. The Finance Director makes the determination as to whether the City Manager and City Council need to be involved.

EXPENDITURE POLICIES

- 1) An operational control of departmental budgets is maintained by preliminary check of funds availability on a line-item basis;
- 2) The City of East Point's purchasing system assures budget availability prior to the issuance of purchase orders. Budgetary expenditure printouts are available on the financial system anytime that a department director needs to review;
- 3) Encumbrances are established on the basis of the issuance of purchase orders. In the event of insufficient funds within the account, purchase orders are not issued until an interdepartmental budget transfer is approved, or until additional funds are made available by the City Council.

It is the responsibility of each department to control expenditures, and expend funds only for items that have been budgeted. The Budget Ordinance stipulates that expenditures shall not exceed the appropriation authorized by the budget. The City Manager has the authority to allow departments to transfer sums from one budget line item to another within the same department, without the necessity of the adoption of a new budget ordinance. However, no increase in the overall budget for any one department shall be made without the approval of the City Council and amendment to the budget.

FUND ACCOUNTING

The accounts of the City are organized and operated on the basis of funds and account groups. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The minimum number of funds is maintained consistently with legal and managerial requirements.

Major Funds

Major funds represent the significant activities of the City. The breakdown of the City's fund structure is as follows:

General Fund

The *General Fund* is the primary operating fund of the City. It accounts for all financial resources of the general government, except those that are required to be accounted for

in another fund. It is considered a Governmental Fund. The modified accrual basis is followed in the General Fund.

Capital Projects Fund

Budgets for capital projects shall lapse at the end of a fiscal year. The project can remain in effect until project completion, but re-appropriation by City Council ordinance is required.

Additionally, the City has the following non-major Special Revenue Funds:

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes.

Confiscated Assets Fund

The confiscated assets fund accounts for funds received from the enforcement of drug laws and shared revenues resulting from the confiscation of property from drug offenders' arrests.

E-911 Fund

The E-911 fund accounts for system fee collections, and the operation of the Emergency 911 System within the City of East Point.

Restricted Grant Fund

Grants that have a grantor requirement to have funds deposited into a separate bank account from the General Fund.

Hotel/Motel Fund

The Hotel/Motel Fund is a Special Revenue Fund for the purpose of promoting tourism. Revenues for the fund are raised from a 3% hotel motel tax placed on hotels/motels conducting business within the City limits. Expenditures are strictly directed to the promotion of tourism.

TSPLOST Fund

This fund will come into effect for the new budget Fiscal year 2018. The purpose of this fund is to account for expected grant funds from a Special Purpose Local Option Sales Tax for Transportation purposes.

50-WORST PROPERTIES Fund

This fund will capture the cost of demolition for vacant properties within the City that violate Fire Codes and, or are a threat to health and safety.

The City has the following Proprietary Funds:

Water & Sewer Enterprise Fund

The Water & Sewer Fund is used to account for provision of water, the collection and disposal of water & wastewater services of the City.

Electric Enterprise Fund

The Electric Fund is used to account for the collection of electricity services of the City.

Solid Waste Enterprise Fund

The Sanitation Fund is used to account for the collection and disposal of solid waste services of the City.

Storm Water Management Enterprise Fund

The Storm Water Management Fund is used to account for the Storm Water Management Program.

The Water & Sewer, Electric, Solid Waste, and Storm Water Enterprise Funds are considered Proprietary Funds and budgeted using the full accrual basis for accounting.

Fiduciary Funds

Fiduciary fund reporting are focuses on net assets. The City's fiduciary funds include a pension trust fund and an agency fund. The pension trust fund provides pensions to City employees and City elected officials. The agency fund collects municipal court fines and forwards them to the General Fund. The agency fund is custodial in nature (assets=liabilities) and does not involve measurement of results of operations.

An independent accounting firm performs an annual audit of the financial statements of the City and does publicly issue an opinion thereon.

BASIS of BUDGETING

The modified accrual basis is followed in all governmental funds. Under this method, revenues are recognized when they become measurable and available as net current assets. Expenditures are generally recognized when the obligation is incurred, with the exception of principal and interest on general long-term debt which is recognized when due, and purchase of Capital Assets whose cost are fully recognized at time of purchase and not amortized over the life of the asset.

Unlike **full accrual basis**, annual appropriated budgets are adopted for all funds at the department level. Budgets are adopted on a non-GAAP basis. All appropriations that have not been encumbered at the end of the fiscal year will lapse. Expenditures may not legally exceed budgeted appropriations at the department level.

All Proprietary Funds are budgeted for using the accrual basis of accounting. Whereby, revenues are recognized when incurred. Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in

connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the City's enterprise funds are charges to customers for sales and services. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

GAAP BASIS vs. BUDGET BASIS

Budgets are adopted on a basis consistent with GAAP with the exception of the capital projects fund, which have project length budgets, rather than annual budgets. The City adopts budgets for its enterprise and internal service funds; however, the reporting of the budget to actual comparison is not required.

TAX MILLAGE RATE

As a part of the normal budget process, the governing authority adopts a millage rate to provide property tax revenue to the General Fund. The adopted millage rate for tax year 2017 assumes 15.00 mills.

WHAT IS A BUDGET?

A budget is a financial plan for a city. It includes both estimates of resources available, including revenues and fund balance, and appropriations that are the authority to spend money for specific purposes. After extensive input from the various departments, as well as the public, the budget is prepared by the Finance Department. The City Manager presents the budget for adoption to Mayor & City Council.

The document begins with a transmittal letter from the City Manager. This letter summarizes the contents of the budget and provides an explanation of the rationale used by the City Manager during the budget development process. The City Manager also outlines the administration's work program for the upcoming year.

The following information is provided in the sections of this document:

- An explanation of the financial budgetary structure and policies of the City;
- Detailed financial data and summaries;
- Detailed explanations of major capital expenditures (the capital budget), including operating cost impacts;
- The departmental budgets, which are subdivided into programs to account for the costs associated with specific activities or to account for the use of funds received from specific revenue sources;
- An appendix, which includes a glossary to assist the reader in understanding this document.

The budget document is prepared to provide information about the City, both financial information and operational/policy information from a variety of perspectives and degree of detail. The reader should first review the Table of Contents and the Glossary and then read the Transmittal letter. The Financial Summary Section should then be reviewed. Finally, the specific department and program budgets provide the detailed information as to what purposes the City's resources will be utilized during the fiscal year. When reading this document, it is useful to remember that it has been developed based on both organizational structure and financial structure. The organizational structure is reflected in the departmental budgets. The financial structure is reflected in the reporting of expenditures and revenues by fund. A fund is a self-balancing set of accounts designed to track specific revenues and the uses of those revenues. Each fund is independent of all other funds and money cannot be transferred from one fund to another without the approval of the City Council.

QUESTIONS & ANSWERS

Q: What is the purpose of the City Budget?

A: The budget is an annual financial plan for the City of East Point. It specifies the level of municipal services to be provided in the coming year and the resources, including personnel positions, capital expenditures and operating expenses needed to provide these services. It reflects the policies and priorities set by the Mayor and City Council.

Q: What is a fiscal year?

A: A fiscal year is a 12-month operating cycle that comprises a budget and financial reporting period. The City's fiscal year begins on July 1st and ends on June 30th.

Q: What is a millage rate?

A: When the City adopts its annual budget, it determines the tax rate that must be applied on property in order to generate the necessary revenue in addition to all other sources that are available. The adopted tax rate for the City of East Point for the 2014 tax year is 15.00 mills, or \$15.00 per \$1,000 of taxable value. The Fulton County Tax Assessor establishes the taxable value of all property in the City. The City has no control over the taxable value of property; it only has control over the tax rate that is levied.

Q: What is a mill of tax?

A: One mill is equal to \$1 for each \$1,000 of assessed property value. Property taxes on a \$100,000 home to which the \$2,000 homestead exemption is applied would be, with a millage rate of 15.00 mills, \$570.00.

Q: What is the difference between Ad Valorem Tax and Property Tax?

A: There is no difference. They are different names for the same tax.

Q: What is an operating budget?

A: An operating budget is an annual financial plan for recurring expenditures, such as salaries, utilities, and supplies.

Q: What is a capital improvement budget?

A: A capital improvement budget is both a short and long-range plan for the construction of physical assets, such as buildings, streets, sewers, as well as vehicles and equipment.

Q: What is an enterprise fund?

A: An enterprise fund earns its own revenues by charging customers for the services that it provides. It receives no tax funds.

Q: What is a budget appropriation?

A: A budget appropriation is a specific amount of money that has been approved by the City Council for use in a particular manner.

Q: What is a budget amendment?

A: A budget amendment is an ordinance adopted by the City Council which alters the adopted budget by appropriating additional monies to a particular department, decreasing appropriations to a particular department, or transferring funds from one department to another.

The City of East Point is required to prepare an annual budget in accordance with the City Charter. The budget is prepared for each fiscal year beginning July 1 through June 30th. The charter requires the submission of a capital budget to Mayor and Council by the third meeting of January and an operational budget by the third meeting of April .

For the fiscal year 2018, the City of East Point began the budget process with updates to its capital budget long term infrastructural projects and proposal for new projects in the new budget year. The Capital Improvement Budget was presented to Mayor and Council on January 28, 2017. The City then began the preparation of the operational budget with revenue and expenditure projections. In forecasting revenues and expenditures, the City first reviewed its mission statement, strategy plan and goals and objectives to set priorities for spending. In addition, staff considered historical trends, current changes within the City and projected economic trends when forecasting revenues and expenditures.

Budget Preparation

Prior to the departmental submission of their annual request, the Finance Department conducted an annual training session for all personnel involved in the budget process. During the training, the staff was trained on the steps to completing the budget process and advised of fiscal year changes, highlight critical deadlines and reviewed issues likely to impact the City. Each department then prepared their proposed expenditure based on operational priorities. Directors submitted their budget recommendations to the budget manager for initial review and coordination.

Budget Review

The Budget Manager works with each department head to compile all proposed revenues and expenditures for the new fiscal year. The City Manager, Finance Director and Human Resources meet with each director to review their budget requests. Once all departments' recommended revenues and operational expenditure request are reviewed and approved by the City Manager, a proposed budget is submitted to the Mayor & Council. Prior to the adoption of the budget, the City conducts community budget meetings in which staff provide information and answer questions regarding both the capital projects and operational budget.

Budget Adoption

The City Charter requires two reading of the budget prior to adoption. The attached budget calendar shows the proposed dates for the publication and reading of the new budget.

BUDGET AMENDMENTS

The City of East Point sees its annual budget as a fluid document. While every effort is made to operate within the confines of the adopted budget, there are times when amendments are required. Budget amendments may require the approval of the City Council by an ordinance. Occasions requiring an amendment to the budget include, but are not limited to:

- Acceptance of additional grant money;
- Appropriation of additional funding if expenditures are projected to exceed budgeted amounts; and
- Re-appropriation of funds from one department to another when deemed necessary.

Line item or department changes that has no impact on the total of allocated budget only requires the approval of the City Manager.

KEY ACTORS

While all employees are a part of the budget process at some point, there are several people who play more intricate roles in this process.

Mayor & City Council: The Mayor and City Council set policies which drive the development of the budget, appoint a Budget Committee (which consists of the Mayor, Council members and one appointed resident), and conduct public hearings and readings of the budget ordinance.

City Manager: The City Manager presents the budget document to the Mayor and City Council for approval.

Department Directors: Department Directors have to review previous capital improvement plans, make necessary changes and request to allow the City to develop a 5 year comprehensive five year CIP Program. In addition, Directors must then submit requests for additional personnel, purchased good and services which will all the finance department to develop each departmental budget request and budget document.

Finance Director: The Finance Director is primarily responsible for providing direction for the Budget Manager, reviewing financial analyses, projections and overseeing the budget process.

Budget Manager: The Budget Manager is primarily responsible for coordinating and developing the budget document.

Deputy Finance Director: The Deputy Director coordinates and help provides direction for the Budget Manager, reviewing financial analyses, projections and helping to develop the budget document.

The budget document must be completed for the City Manager to present to City Council. Once the budget is approved, the budget book is prepared and submitted to the GFOA for consideration of the Distinguished Budget Award.

PRIMARY SOURCES OF REVENUE

Like most Metropolis, the City of East Point funds most of its day to day operations from taxes, fees and fines in the General Fund. The City operates four Enterprise Funds. (Electric, Water, Sanitation and Storm Water. The operation of these funds are recovered through rates and fees.

The revenue estimates are made after careful analysis of collection and remittance from the various sources. The City meets with Fulton County Tax Commissioner regarding forecasting of changes in the tax digest.

The graph below shows the breakout of projected revenues for the fiscal year 2018.

GENERAL FUND REVENUE

General Fund revenue are generated from taxes, fines and forfeitures, licenses, permits, and intergovernmental transfers. The graph below highlights the types and amounts of revenue projected for the General Fund for fiscal 2018.

General Fund Revenue

TAXES

The General Fund has the following categories of taxes: Property (Ad Valorem Tax), Insurance Premium, Alcoholic Beverage Taxes, Franchise Fees, and Other Fees. The City derives 17% of its income from taxes. Property taxes make up about 7% of the total revenues. It is derived from a tax levy on real and personal property within the corporate limits of East Point. Bills are mailed each fall, after the tax digest has been and approved by the State and the millage rate adopted by Mayor and Council.

Tax Revenues

Property Tax

The following graph shows the property tax remittance in dollars for the past eight years. East Point like other cities, suffered a loss in property values that caused a decline in the amount of income derived from property taxes.

Beginning with the 2012 tax year, the downward trend experience from 2010 begin to stabilize with an uptick in fiscal 2015 and 2016.

*FY 18, Anticipated Levy, FY 17 Budgeted

Insurance Premium Tax

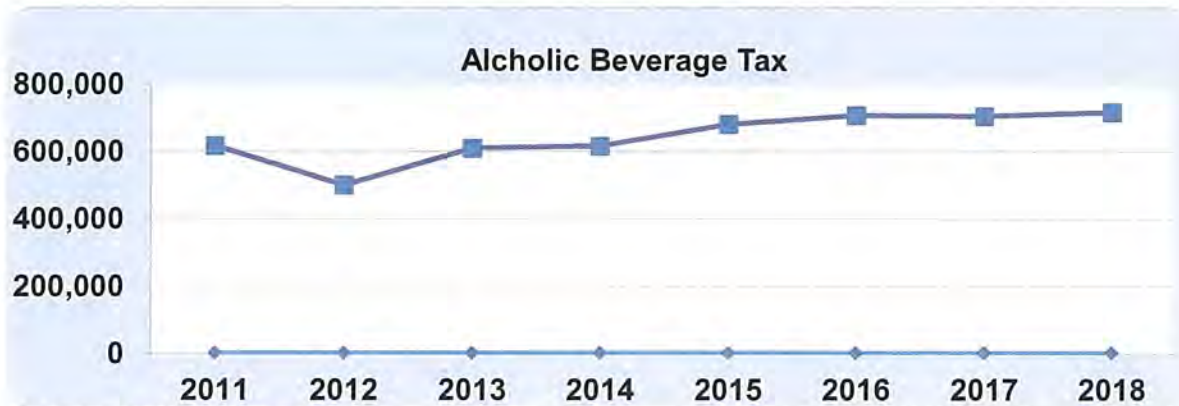

The State of Georgia levies a tax on insurance premiums collected within the City's limit. Revenue from this tax is distributed back to the City each October. Fluctuations has occurred over the last eight years, but the more recent periods shows increase collection.

*FY 18, Projected Levy, FY 17 Budgeted

Alcoholic Beverage Tax

This is revenue derived from a tax levy on distributors. Distributors pay a set price for each liter of alcohol delivered within the corporate limits of East Point. It has been gradually increasing over the last ten years. However, revenues from this tax are expected to increase or remain constant as we are hopeful that there will be an upward trend in the economy and new businesses in the City of East Point.

*FY 17 & 18 Budgeted

Hotel/Motel Tax

Georgia State Law allows municipalities to levy and collect an excise tax upon the furnishing, for value, to the public, any room or rooms, lodgings, or accommodations. The City implemented this tax of 3% as a way of raising additional revenue for the General Fund without increasing the tax burden of the residential community. In February 2010, Council adopted a resolution supporting a request to the General Assembly for an increase to 8%. The General Assembly approved the new rate which was authorized by the Governor in June 2010.

In October 2010, Council approved moving forward with soliciting bids for a Destination Marketing Organization (DMO) through a competitive RFP process. Pursuant to Georgia law, the increase hotel tax revenue must be accounted for, administer and spent in specific ways: the first 3% will continue to go to the General Fund. The next 2% can be used for tourism promotion dollar for a broad range of activities that promote tourism, convention and trade shows. The remaining dollars collected, up to 1.5%, are restricted and must be spent on tourism development projects, defined as the expenditure of fund for the creation or expansion of physical attractions which are available and open to the public and which improve destination appeal to visitors.

Collection over the last three years of the hotel motel tax shows a positive trend. This can be attributed to the proximity of the City to Hartfield's/Jackson International Airport, where

many of the City's hotels are located and the addition of new hotels. Based on this trend the projection for 2018 anticipates continued growth in revenues.

*FY 17 & 18 Budgeted

Franchise Fee

Public utilities operating within the City of East Point must pay to the City a franchise fee in return for the right to do business within the City and for the right to use public rights-of-way for transmission lines, pipes, wires, etc. Franchise tax projections are \$1.4M for fiscal year 2018.

*FY 17 & 18 Budgeted

Local Option Sales Tax (L.O.S.T.) REVENUES

Local Option Sales Tax can be used for general government support. The amount of revenue derived from L.O.S.T averages 9.5 million, however 2016 collections exceeded the average by 1.3 million. Based on this revenue increase, the FY2018 projection were set to \$10.1 million.

*FY 17 & 18 Budgeted

FINES & FORFEITURES

Municipal Court Revenue

This revenue is generated from fines and forfeitures in the East Point Municipal Court. State law and local ordinance govern these bond/fine schedules.

LICENSES & PERMITS

This section contains business licenses, non-business licenses, permits, regulatory fees and penalties and interest. Beginning in FY2013, revenue appeared to have leveled off after a steady increase has been realized through FY2016. Thus, the FY 2018 projections were kept at the same level.

*FY 17 & 18 Budgeted

OTHER TAXES

Other taxes include motor vehicle tax, mobile homes tax, intangible tax, excise tax car rentals and FiFa collections tax. These are all expected to change at an immaterial rate.

Long Range Planning

Members of the management team met for two days of planning and goal setting for fiscal year 2018 through fiscal 2020. The team made proposals based on issues raised by citizens, employees and other stakeholders. Among the key drivers were fiscal sustainability, community quality of life, economic growth, technology and transportation. The table below highlights some of these goals and area of responsibility:

Goal	Measure	Responsibility
Fiscal Sustainability	Compliance with regulatory agencies, maintaining required Fund Balance & Receipt of GFOA Awards.	Finance Department
Community Quality of Life	Customer satisfaction surveys, Emergency response times and Compliance to City codes.	Parks & Rec/Public Safety & Planning & Community Dev.
Economic Growth	Surveys, Internal targets.	All Departments
Transportation Improvements	Annual Roadway Condition Report which gives the miles of roadways repaved and sidewalk installations	Public Works
Completing survey of internal and external stakeholders and analyzing results.	Did the City upgrade the Enterprise Reporting Process (ERP) And Advanced Meter Infrastructure (AMI)	Information Technology
Disaster Recovery Plan	Disaster Recovery Plan in cases of emergency affecting the City	Public Safety (Fire & Police)
Water & Electrical Study Rate	Does the utility rates from the survey cover the delivery of cost of service by the city? Are the rates in line with industry/region	Customer Care
Permitting Rate Study	Are the utility rates from the survey competitive with rates from those in the region? The Permitting Rate Study	Planning and Community Development

The Strategic Plan listed above was utilized to help prioritize expenditures for the upcoming FY2018 budget cycle and beyond.

FISCAL YEARS 2018-2022

DEFINITION OF A CAPITAL EXPENDITURE

The classification of items as capital expenses is based on two criteria - cost and expected life of the asset. Capital expenses have the following characteristics:

- They are relatively expensive
- They usually don't recur annually.
- They last a long time.
- They result in fixed assets.

INTRODUCTION

Planning for capital expenditures and improvements is a matter of prudent financial management as well as a sound development practice. The City of East Point maintains a five year development plan which serves as a roadmap for infrastructural developments and improvements. These improvements are approved each year through the budget process and are currently funded thru the City's Municipal Corporate Trust, grants, and general funds. Purchases costing \$5,000 or more with an expected life of two or more years are considered to be capital outlay

For the fiscal year 2018, the City of East Point adopted a total capital budget of \$20,901,643, this includes \$6,312,216 for the City's' Enterprise Funds. In the past the City funded most projects on the pay as you go method However, for the fiscal year 2018 the City will re-enter the bond market to raise the funds for construction of a new City hall.

RELATIONSHIP

The operating budget and capital budget are closely linked. In addition to covering the cost of the day to day operations of the city, the operating budget must also cover the cost of financing, operations, and repair and maintenance of new and existing machinery, equipment and facilities... The operating budget, through debt service must pay interest expense and principal payments on all bonded and other debt.

PROCESS

Each year, prior to the planning of the operating budget, staff identifies all major items for repair, replacement, addition and or disposal. Mayor and council may also direct that certain projects be analyzed for consideration of capital resources. A proposed project list then prepared by departments and analyzed by the City Manager in consultation with department heads for feasibility, and urgency. Projects are added or deleted to the five year development plan. Once projects are evaluated per stated criteria, an approved CIP

list of planned expenditure is presented to Mayor and Council for adoption of a capital plan.

ESTABLISHING CIP PRIORITIES

The following criteria are considered in evaluating and prioritizing capital projects. Projects were grouped by type - i.e., equipment, construction, land and vehicles. Projects are then evaluated against both primary and secondary criteria and prioritized based upon meeting to criteria or not.

PRIMARY CRITERIA

- The project prevents or eliminates a public hazard.
- The project eliminates existing capacity deficits.
- The project is required by City ordinance, other laws, or federal/state agencies.
- The project is essential to maintain current service levels affecting public health, safety, and welfare.

SECONDARY CRITERIA

- The project is necessary to maintain current nonessential service levels.

- The project accommodates the public facility demands and vocational needs of new Development or redevelopment based on projected growth patterns.
- The project is financially feasible - i.e., there is a funding source available and a verifiable cost estimate is provided.
- The project provides for special needs or enhances facilities/services.
- The project contributes to or furthers the objectives of the City Council and Administration - e.g., administrative policies, efficiency and effectiveness criteria, etc.

SIGNIFICANT NON – RECURRING CAPITAL ITEMS

Non-recurring capital projects are those one time investments that are likely to have a significant impact on the operating budget and are unlikely to be funded with capital funds in subsequent years. Among some of the non-recurring capital investments for fiscal 2018 are:

New City Hall Complex, This project is a carryover from fiscal 2017. The City is nearing completion of the design phase and intends to begin construction in fiscal year 2018. The new City hall will provide an office for administrative functions. Currently the City leases space for administrative services at a cost of nearly \$500,000 per year. The project is expected to cost approximately \$16,000,000 over two fiscal periods.

New Fire Station –The renovation of two of the City's fire stations are also carryover from fiscal year 2017. This project experienced some delays, thus requiring funding to continue into fiscal year 2018. Funds appropriated for this project is a little over \$1,770,009.

New ERP System: The City Enterprise Resource Planning System in was budgeted in fiscal 2017. However at budget time, the City was still finalizing selection of a vendor for this project. The allocated cost for fiscal year 2018 is \$500,000. The ERP system is expected to improve efficiencies through better compatibility with the recently upgraded Office 360 and reduce cost.

New Recreation Center

Currently Jefferson Park Recreation Center is the only recreation facility in the City of East Point. Adding another facility will to provide a number of community amenities. The fiscal year 2018 budget provides \$150,000. For feasibility studies on construction of an additional recreation center in the City.

Automatic Metering Infrastructure (AMI)

The AMI/AMR system is its final stages and will automate all electric meters so that meters can be read from one central location. Electric meters will be read on a monthly basis with (30) day readings, Holidays will not affect readings. Delinquent accounts can be disconnected at meter, which will save money for labor and vehicles. The final cost for the full implementation is estimated at \$1,200,000 and is provided for in the capital budget.

RECURRING CAPITAL ITEMS

Recurring capital projects included in the budget are

- Improvements to Park and Recreation Facilities \$1,000,000.
- Sidewalk and Street Improvements \$3,984,006
- Water Distribution System Improvements \$250,000
- Information technology updates \$336,643
- Buildings – Improvements and Repairs. \$5,750,000
- Purchase of new vehicles \$172,000

Debt service represents principal and interest payment on outstanding debt for all funds, (general, special revenue, and enterprise). The City of East Point's debt is divided into three categories: Lease Purchases, TAD Bonds, and Revenue Bonds. The City of East Point has no long-term general obligation bond debt.

Under Article 9, section 5 paragraph 1 of the State of Georgia Constitution, the City's outstanding general obligation debt should not exceed 10% of the assessed value of the taxable property located within the city. The City does not have any general obligation debt, therefore is in compliance with State requirements on debt limits.

Revenue Bonds

2006 Building Authority Revenue Bonds

In June 2006, the City issued revenue bonds in the amount of \$50,195,000 at interest rates ranging from 4% - 5%. Annual principal and interest installments are approximately \$3,335,796. Bonds will mature in 2035.

The bond was issued for improvements to the City's water, sanitary sewer and storm water systems.

2006 Building Authority Revenue Bonds			
Year	Principal	Interest	Total
2017-2021	7,460,000	9,219,625	16,679,625
2022-2026	9,390,000	7,293,450	16,683,450

The Employees of the City of East Point are the engine that drives the City. A team approach is encouraged to build one common interest- the provision of quality services to all customers. East Point strives to keep its compensation levels competitive. In addition to a base pay, employees are also afforded health care insurance, and the opportunity to participate in the company retirement plan. These cost are part of what is included in the in the Personnel Services budget.

Health Benefit

The City's goal is to develop a comprehensive approach to healthcare management. Healthcare cost has increased an average of 20 percent over the past year. Therefore, in an effort to manage cost, the City partnered with vendors that can provide services with local network providers, improve health care practices, disease management solutions and offer cost containing measures for a diverse population. In addition, the City for FY 2018 will continue to offer several wellness programs to include exercise, healthy cooking, etc.

The following graph displays the history of full-time and part-time employment positions over the last 4 fiscal years.

MISSION & GOALS

To provide exceptional city services in the most professional, courteous and effective manner to enhance the quality of life in the City of East Point.

Department Goals:

The City Attorney's Office is committed to providing excellent legal services to the City of East Point. It is our goal to be viewed as a "First-Class" Municipal Legal Department.

We will provide excellent legal advice, representation and perform legal work that is timely, thorough and in the best interest of the City of East Point.

OBJECTIVES

1. To continue performing more legal work in-house in an effort to reduce the cost paid for outside counsel.
2. Continue to provide preventive counseling and work with risk management to further reduce legal liability.
3. To work with the third party administrator claims process and continued reduction of the number of claims.
4. To continue to provide reporting on trends impacting the City from a legal standpoint.
5. Early mediation and resolution of lawsuits for which liability is clear.
6. Increased diversity of outside counsel.

FY 18 PROJECTED ISSUES

- Resolution of storm water flood and sewer backup cases.
- Direct handling of claims along with third party administrator.
- Continued support to the Civil Service Board, Ethics Board, Finance Committee, Budget Committee and other Council approved Task Forces.
- Providing legal support for special projects such as the proposed New City Government Center, Corridor's TAD, Commons Development, and Legislative Initiatives.
- Drafting and updating Code of Ordinances.
- Monitor and advise City Manager and Council on legal developments pertaining to development issues as well as actions of the Georgia Legislature.

PERFORMANCE MEASURES

1. Respond to all claims within 45 days (averages 72 claims a year)
2. With the exception of some litigation matters which insurance companies require to be handled by outside counsel, matters requiring an expertise that does not exist in the department and matters which cannot be handled by in-house counsel due to conflicts-of-interest as defined by the Georgia Bar Rules of Professional Conduct, reduce the usage of outside counsel and the attendant legal fees;

3. Review all contracts which are fully documented within 72 hours;
4. Review Open Records Requests, subpoenas and other legal requests for documents within the timeframes required by law;
5. Prepare ordinances and resolutions requested by Council Members within 20 days;
6. When notified, review ordinances and resolutions prepared by other departments within 20 days;
7. Attend the regularly scheduled monthly meetings of Council, Council committees, Planning and Zoning Commission (including the work session and Agenda meetings).
8. Attend court ordered mediations, hearings, some depositions as the Client Representative;
9. Provide legal opinions (written and oral) at Council request regarding procedural issues, internal disputes and other legal questions, unless prohibited by the Georgia Bar Rules of Professional Conduct.
10. Provide legal coverage for personnel and grievance hearings and assists in preparing written decision and schedules hearings as well as provide legal coverage for the Citizens Review Board hearings for appeals, Alcohol Appeals Board and Ethics Board.

TOTAL	\$ 885,589	\$ 1,031,645	\$ 1,515,209	\$ 1,457,820

DEPARTMENT OVERVIEW

The Clerk's Office serves as the custodian of city records and the official secretary to City Council. The office is headed by the City Clerk and overseer of office operations. Collectively, the City Clerk Staff performs several services including but not limited to: records and transcribes minutes of City Council meetings, records and transcribes minutes of City Committee Meetings, update and maintain the Municipal Code Book, provide notarization services, ensure advance notice of all public meetings, offer public access to City Council agendas as well as legislation proposed and adopted by City Council. The Clerk's Office also acts as the filing department for general liability claims and the qualifying office for Municipal Elections.

MISSION & VISION

The City Clerk's Office strives to provide centralized staff support to City Council. The Clerk's Office not only provides professional service to elected officials, but staff and most importantly, the citizens of East Point. Our office protects and preserves the integrity of official records and distributes information concerning policy and legislative issues of the East Point City Council. The City Clerk's Office envisions offering exceptional service to City Council and the residents of the City of East Point while promoting government transparency.

GOALS AND OBJECTIVES 2018

1. To deliver Open Records Requests in a timely manner in accordance with Georgia Open Records laws;
2. To provide timely and advance notification of public meetings;
3. To foster government transparency through the availability of public records
4. To improve the distribution of policies and legislative information to City staff and the public
5. To amend the current records retention management plan and work with each department for the best way to classify, store, and secure permanent documents
6. To provide the highest level of customer service to the Mayor, Council, City Administration & the residents of East Point
7. To provide professional development training for administrative staff to enhance job performance and customer service

FY 18 CHALLENGES

The lack of storage space for our historical legislative records and other city records continues to be a significant issue facing the department. The warehouse facility lacks security, climate control, and is not fully protected from environmental hazards. It also lacks proper shelving and equipment. Due to the uncertainties of the warehouse, we are

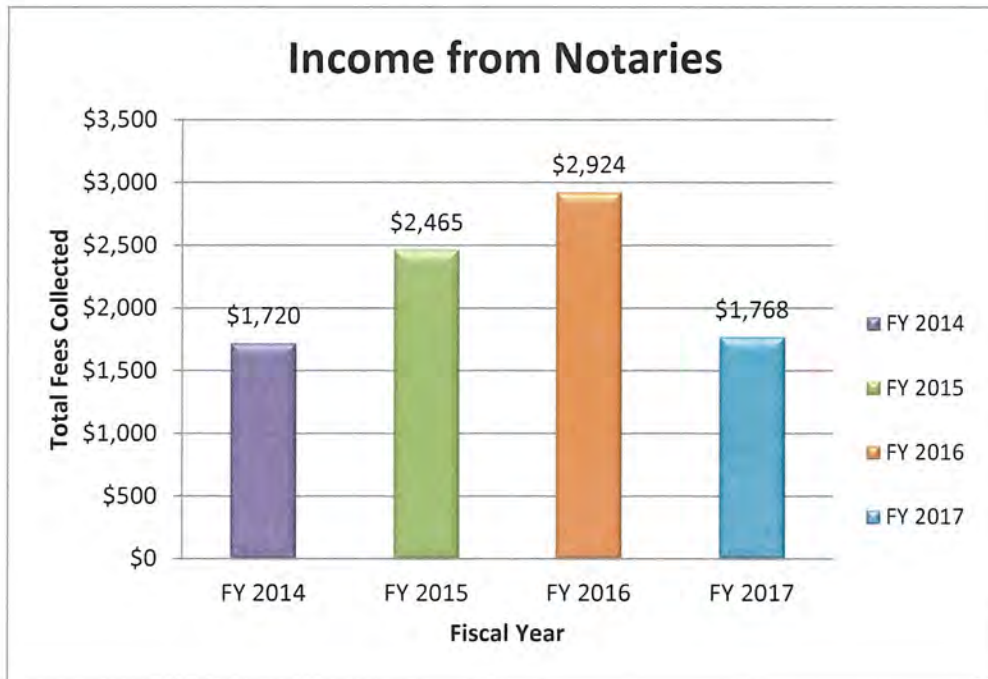

continuing to scan documents into the computer to safeguard against sudden information loss. This will significantly reduce the wear and tear of original documents.

Furthermore, it is critical to incorporate an effective comprehensive records management plan into the operations of the department. Currently, we are out of compliance with records retention and management. By implementing an effective records management plan, we will be able to reduce operating costs, improve efficiency and enhance productivity.

Over the past few years, our department has incorporated the availability of electronic agenda packets via the City's website for Council's and residents review. However, there are several members of Council who have a preference for hard copy agenda packets. Thus, it is critical for the City Clerk's Office to secure adequate printing equipment to adhere to the desires of Council without disrupting the operations of other departments. With the necessary printing equipment, the City Clerk's Office will be able to continue meeting the desires of those with a preference of hard copy agenda packets without overusing the existing copier which is shared by several departments.

MISSION & GOALS

To manage City of East Point operations in accordance with Federal Law, State Law, County Law and Local Charter, Ordinances and Policies adopted by the East Point City Council.

GOALS

1. Advise the Mayor and City Council regarding the effective and efficient management of the City and provide sound recommendations on policy issues;
2. Oversee the daily operations of all City Departments, except City Attorney, City Clerk and Municipal Court, by:
 - Providing effective oversight of City functions to ensure timely and efficient Service Delivery to citizens and customers;
 - Working with all departments to ensure effective management of department budgets;
 - Meeting with Council, Finance and Budget Committees to effectively communicate financial concerns and provide updates on budget performance;
 - Seeing that all laws, provisions of the Charter and acts of the City Council are faithfully executed;
 - Preparing and submitting the annual operating budget and capital budget to the City Council;
 - Encouraging and providing staff support for regional and intergovernmental cooperation;
 - Promoting partnerships among City Council, staff and citizens in developing public policy and building a sense of community;
 - Effectively managing public information and communication;
 - Recruiting and retaining the best possible employees that have a commitment to high performance; and
 - Maintaining the highest standards of fiscal accountability of public funds

OBJECTIVES

1. Host annual planning and strategic sessions with the Mayor and City Council to set the vision and path to the redevelopment, revitalization and enhancement of the City's resources to improve the quality of living for its residents;
2. Assess the operation and management systems' effectiveness and efficiency in service delivery to citizens;
3. Establish a neighborhood planning system to address revitalization of areas of concern;
4. Manage cost through improved controls to improve the City's fund balance

5. Implement Process Improvement throughout the organization which will provide optimal service delivery for all stakeholders;
6. Implement performance metrics with the use of technology;
7. Start full deployment (Phase II) of the AMI Project and complete full deployment; and
8. Start the construction phase of City Hall Project

FY 18 ISSUES

- Implementation of a new ERP system to integrate the City's management
- Implementation of a blight housing plan – demolition of substandard structures
- Completing the AMI implementation
- Evaluation of Utility Rate Structure

MISSION & GOALS

Contracts and Procurement is devoted to serving our customers in the most efficient and professional manner possible by procuring the highest quality of goods and services at the lowest price available all within the City's procurement guidelines

OBJECTIVES

1. Improve Compliance and Accountability
2. Increase Cost Avoidance and Cost Savings
3. Reduce warehouse maximum stock levels
4. Increase City Revenue through Auction Sales
5. Improve Procurement Efficiencies
6. Provide Excellent Customer Service

FY 18 GOALS

- Continue the training and development of Staff to improve production and efficiencies in the department .Also to keep staff abreast of procurement industry standards.
- Update of the Purchasing Policy to reduce the time line from requisition to delivery of goods and services.
- Continue to investigate and utilize selected competitively solicited purchasing contracts that maintain a high level of service and quality while reducing overall costs to the City.
- Continue to work with the City's management and staff to centralize the purchasing process to achieve efficiencies, proficiencies and cost reductions in order to address the City's financial needs.
- Improve the use of the Contract Expiration Log through new software and email notification.

MISSION

To provide excellent customer service to our internal and external customers while following sound fiscal, operational and procedural guidelines.

DEPARTMENT GOALS

Our departmental goals are outlined in our five standards for Public Service Delivery. The goals are to develop effective business management practices; focus on employee and customer safety; implement excellence in employee development; provide exceptional customer service; protect the City of East Point's revenues; achieve the organizational alignment and visibility needs to drive performance excellence, and to promote customer goodwill and satisfaction.

OBJECTIVES

1. Serve as advocates for the City of East Point's utilities customers;
2. Continue to provide ongoing and continual training for our employees;
3. Enhance ways to communicate and strengthen the relationship between our utility customers and the departments;
4. Enhance communication between department divisions and internal stakeholders;
5. Continuously audit utility accounts to ensure proper billing practices; and
6. Implement a new system to determine a utility deposit for our customers

FY 18 ISSUES

- Overtime and Compensatory Time:

The Customer Service Department opens at 7:30 a.m. in preparation for the entry of customers who later arrive at 8:00 a.m., and Customer Resources Specialists work after 5:00 p.m. to balance accounts at the end of the day. As a result, Customer Resources Specialists accumulate overtime and compensatory time. The Customer Care Department will aim to develop work flow plans to reduce overtime.

- Drive Thru Payment Units Outside and Inside:

Currently only one Drive thru lane is functional. As the number of customers utilizing the Drive Thru continues to grow, it is essential to have the capability to utilize additional lanes. It will allow the City to assist a larger number of customers in a more efficient manner. In addition, it is important to have a backup in case the only functional lane was to fail or need maintenance.

- Security:

We are proposing a security enhancement to the Customer Care building in the method of bulletproof glass at the front counters and more security cameras.

GOALS & OBJECTIVES**MISSION**

The Department of Economic Development (DED) aggressively markets the City of East Point. DED partners to create quality jobs, business investments and expand the tax base by supporting quality growth. DED achieves these objectives by recruiting new industry, promoting private investment, retaining existing companies and growing the commercial tax base.

GOALS

- Expand the small business sector;
- Continue to target downtown development and retail sector;
- Improve East Point's business environment;
- Enhance East Point's quality of life through arts & culture;
- Expand the use of tax allocation districts (TAD);
- Implement main street designation; and
- Expand the use of the Business & Industrial Development Authority (BIDA) to provide financing of projects

FY 18 OBJECTIVES

1. Roll-out and aggressively market East Point Small Business Incentive Program
2. Target 15-20 small business industries that are "growth" ready, for locating downtown;
3. Develop new branding and marketing materials that incorporates new logo;
4. Continue to recruit new and retain existing businesses;
5. Build and cultivate relationships between economic and community art partners;
6. Build, strengthen and expand relationships with existing Eco. Dev. partners;
7. Enhance customer/service delivery to all Eco. Dev. customers;
8. Continue to aggressively market East Point TAD's, Opportunity Zones and Enterprise Zones, TOD and LCI for new investment;
9. Create and develop programs, policies and events that will activate the downtown main street initiative;
10. Close on the existing two bond projects and recruit 2-3 new BIDA bond projects

MISSION

The Finance Department's mission is to protect the assets of the City of East Point through the establishment of good internal controls, adherence to City policies and Generally Accepted Accounting Principles. The Department will assist the Citizens of the City of East Point in a professional, efficient, and cost-effective manner.

DESCRIPTION

The Finance Department is headed by a Finance Director who serves at the pleasure of the City Manager. The department's key operational areas are General Ledger Accounting; Payroll; Accounts Payables; Accounts Receivables; Asset Management; Budgeting; Grant Management; Property Tax; and Customer Care Services.

The Finance Department is also responsible for advising the City Manager on financial matters; and providing accurate, relevant financial and operational information to Council and Division Directors on a timely basis.

FY 18 GOALS & OBJECTIVES

1. To ensure policies and procedures are consistent with the ordinance, charter and state law, which will be accomplished by upgrading the Financial Management System; completing the Comprehensive Annual Financial Report within established deadlines; secure funding for the new administrative complex at favorable rates to the City; maintain a 2-month General Fund Reserve to address unbudgeted uncertainties; and maintain a minimum 30-day fund balance for the Electric and Water & Sewer funds.
2. To maintain and revise the City's Five-Year Capital Plan, which will be accomplished by coordinating with City departments by December of each year to verify that the Capital Plan is updated and consistent with City and departmental long-term goals; to update the Capital Plan by March each year with annual audited numbers to provide a current base-year cost for future projects and financial projections.
3. To receive the Certificate of Achievement for Excellence in Financial Reporting and meet all financial and budgetary deadlines, which will be accomplished by working with external auditors to submit the Comprehensive Annual Financial Report within four months of the end of the fiscal year to GFOA, the State Department of Audits, and any granting agencies; submitting the Single Audit to necessary granting agencies as required by the Single Audit Act of 1984, P.L. 98-502; to complete the SF-SAC Data Collection Form for Reporting on Audits of States and Local Governments; submitting the Annual Report of 911 Collections and Expenditures Form as required in compliance with the expenditure requirements of the Official Code of Georgia Annotated, Section 46-5-134; and submit the Budget Book within ninety days of budget adoption to GFOA.

4. Maintain a Monthly Cash Flow Report for Pooled Cash Account to identify funds equity, revenue sources and expenditures. This fund will be reconciled monthly and balance reconciled to each funds equity account.
5. Develop and have Mayor and Council to approval fund balance levels for each fund.

INTRODUCTION

The City of East Point Fire Department (EPFD), established in 1908, has evolved into a multifaceted proactive organization committed to delivering the highest quality of comprehensive safety services. With an average response time of six minutes, the EPFD has been dynamic and innovative in creating new programs to provide quality service delivery to the community in an efficient cost-effective manner. The department operates under the leadership of Fire Chief William H. Ware. Total Staff consists of 74 sworn firefighters, one full time and one part time civilian.

Vision

Professionalism

Providing service with a high standard of ethics, behavior and competence.

Integrity

Providing service with consistency of actions, values, principles and a sense of honesty and truthfulness.

Compassion

Providing service with empathy and sympathy for the suffering of others.

Service

Providing rapid, highly skilled response that meets the immediate needs of the customers while striving for continuous improvement within a safe work environment.

Creating and supporting an environment that prevents loss of life and property.

Mission

To prevent disastrous incidents from occurring and to minimize damage to life, property and the environment.

The EPFD is comprised of Three Major Divisions: Administration, Technical Services and Operations.

Administration Division

Fire Administration is responsible for budget development, payroll, accounts payable, purchasing and procurement, recruitment, developing and implementing policies and procedures, research and development, grant writing, interdepartmental relations, statistical analysis, developing job criteria and performance evaluations, public education and prevention programs. Establishes the departments' strategic plan, goals and

objectives, creates, directs, and implements programs to meet those goals. Develops policies and procedures, research and develop grants, oversee interdepartmental relations, provide statistical analysis, budget development, develop job criteria and performance measurements and filters information to the media.

Operations Division

The Operations Sections delivers Fire Suppression, Basic Life Support and Advance Life Support Emergency Medical Services (EMS). The Operations Division consists of Four Fire stations; Fire Station # 1 located on East Point Street is utilized as a Training Facility and Storage for Supplies and Vehicles. Three Fire Stations are located throughout the city, consolidated in to one Battalion to provide Fire Protection to the Citizens. The three fire stations are equipped with three engines, one ladder truck, two advanced/basic life support rescue units, and a battalion command vehicle with 64 employees allocated. Employees assigned to this division are distributed on three shifts A, B, & C, working twenty-four 24 hours on duty and 48 hours off duty.

Emergency Medical Services Section

The Fire Department utilizes three Basic Life Support (BLS) Engines and two Rescue Units to provide Emergency Medical Services. EMS Services consist of eighty-seven percent (87%) of all emergency calls. The basic Life Support Engines and Rescues responded to 7,063 calls for emergency services this year. The EMS Section operates under the direction of a Medical Director who provides various classes on a number of medical topics necessary for all Emergency Medical Technicians and paramedics to maintain certification.

Training Section

The Training Section is responsible for Emergency Medical Services (EMS) and Fire Rescue Training. One of the core responsibilities of this section is to provide a level of training equaling or exceeding the industry standard which will ensure that all citizens of East Point receive the highest level of care. This section is also responsible for teaching safety to all firefighters performing job duties in emergency situation. The training Section coordinates and networks with other agencies to get the latest and most experienced instructors to assist in education department personnel; thus further ensuring that firefighters comply with all state and national standards.

Fire Prevention/Code Enforcement Division

This Section oversees the Fire Prevention and Fire Investigation programs. Fire Prevention is responsible for annual business inspections, determining the cause and circumstances of fires and explosions, reviewing building, sites, detection, and suppression plans to ensure code compliance, reviewing fire lanes plans, and issuing certificates of occupancy to new businesses. Additionally, this Division also enforces the

2016 Georgia Fire, Building, Electrical, Mechanical, Plumbing and Residential Codes, as amended by the City of East Point Municipal Code, in addition to National Fire Protection Association standards.

Internal Affairs Section

The Fire Marshal has been assigned the responsibility to function as the Internal Affairs Officer. The Internal Affairs Officer ensures that employees of the East Point Fire Department are held to the highest level of professionalism and that our policies, practices, and procedures comply with city, state, and EEOC requirements.

The Internal Affairs Division has reviewed over 379 applications for employment consisting of processing all Applicants through background checks and interviews. In 2015, 280 background checks were conducted, 20 applicants interviewed for possible employment, and 9 applicants were hired. The Internal Affairs Section also assisted the Fire Chief and Deputy Chief with reviewing and writing 105 Standard Operating Procedures and Guidelines.

Goals

- Conduct Annual Inspections and Pre Plans of all Businesses and Industries in the City of East Point.
- Enhance Public Education, Life Safety and Risk Reduction through Community Programs.
- Provide dynamic Leadership, Fire, and EMS training to staff in addition to state mandated requirements.
- Encourage support staff to take additional classes and training to improve service delivery to citizens and enhance the Knowledge, Skills, and Abilities of fire personnel.

- Evaluate emergency operations and actively solicit citizen feedback to ensure the highest level of emergency services and customer service are being delivered consistently.
- Ensure all City employees are registered in the Code RED Emergency Communication Network.
- Reduce number of accidental fires annually
- Respond to all citizen requests promptly.
- Maintain emergency response times for Fire/EMS calls.

MISSION & GOALS

The mission of the Human Resources Department is to support the City by developing and implementing high quality, state-of-the-art personnel programs, thereby allowing employees to focus their efforts on providing East Point citizens with services that enhance their quality of life.

GOAL

The Goal of the Human Resources Department is to create a service-oriented environment focusing on City government's most valuable asset, our team members. We strive to align the department's efforts with the strategic initiatives of the City Council, by being team oriented, future-focused, innovative in developing programs, and supportive of and responsive to City employees. The department's services include supporting 15 departments with a workforce of approximately 550 employees; processing employee requests for services in a variety of areas including benefits; pension, and employee relations (i.e. grievances and appeals).; recruiting for vacancies at all levels; reviewing, writing and maintaining personnel policies and procedures; maintaining the City's classification and pay plan including writing job descriptions and conducting salary surveys as needed; ensuring compliance with a broad spectrum of local, state and federal policies, procedures and regulations to include Americans with Disabilities Act (ADA), Fair Labor Standards Act (FLSA), Family and Medical Leave Act (FMLA), Affordable Healthcare Act (ACA), provisions of Title VII of the Civil Rights Act of 1964, as well as those regulations governing employee workplace safety; and providing orientation to every new employee beginning their careers with the City.

OBJECTIVES**Recruitment, Selection and Retention**

- Streamlining the recruitment process by maximizing the potential of Neo Gov., providing hiring managers with direct access to qualified candidates; investing in alternative recruitment strategies to attract applicants for specialized positions; and minimizing the amount of time required to fill vacant positions.
- Guiding hiring managers in selecting the right candidates for their vacancies; evaluating skills; and participating in interviews as needed.
- Developing an exit interview process to determine trends in employees deciding to leave City employment.

Compensation and Classification Administration

- Ensuring salaries are competitive with the City's labor market and updating job descriptions as vacancies occur.
- Keeping current with trends in compensating and rewarding employees.
- Preparing the organization to implement new overtime regulations that go into effect December 1, 2016.

Training and Career Development

- Hiring a Risk Manager to enhance, solidify and focus on the City's employee safety and health initiatives, including developing a comprehensive safety training program.
- Implementing an employee development program to include a tuition reimbursement program and mandatory training to mitigate legal exposures.
- Creating and conducting leadership development programs that identify high potential employees and prepares them to assume leadership positions in the organization.

Benefits Development and Administration

- Managing the department's page on the City website to include timely information about changes in the benefits programs and promoting employee health and wellness events.
- Hosting monthly lunch and learns on physical, mental and family health issues.
- Holding an annual employee health fair, including flu shots.
- Working with the City's insurance broker of record in identifying the best, most comprehensive insurances for employees, while keeping costs down.

Risk Management

- Conducting inspections of employee work sites to ensure compliance with safety policies and state and federal regulations.
- Working with departments providing services directly to East Point citizens, to identify potential hazards and develop remediation plans.
- Managing the City's worker's compensation program, including investigating accidents, authorizing treatments and drug tests, and developing light duty and return to work programs.

FY 18 ISSUES

- Personnel files must be audited and old files either archived or destroyed per State of Georgia law;
- There is a City Council strategic priority to develop employees but there have not been any funds allocated in the Human Resources budget for this effort; and
- East Point employees work throughout the City, therefore there is limited opportunity for them to gather as one cohesive team. We must create opportunities for employees to gather, meet and interact.

MISSION

The City of East Point Division of Information Services is committed to providing a network infrastructure capable of handling current and future technology needs, and accurate and timely information systems to aid in the support of all city departments and employees.

GOAL

The goal of the Information Technology Department is to provide secure, reliable, and integrated technology solutions, while delivering excellence in customer service. In support of this goal, the IT Department will demonstrate technical and operational excellence through a commitment to professionalism and continuous improvement; partner with internal and external stakeholders to better understand technology needs to deliver government services in an efficient and productive manner; and interconnect dynamically with citizens, communities, and businesses in real time to spark growth, innovation, and progress.

OBJECTIVES

1. Deploy an Accela Land Management System – implementation of online Planning, Permitting, inspections, & Code Enforcement modules.
2. Deploy a new Enterprise Resource Planning (ERP) system to replace current Sungard H.T.E. system.
3. Implement a cloud based disaster recovery (DR) system for City's key IT services.
4. Build a Datacenter at newly constructed City Hall and run wiring for LAN connection for each offices.
5. Reconfigure City's Network design to enable seamless migration of primary data center from JFS to the new city hall.
6. Conduct propagation study for deploying WIFI in select locations within the city limit.
7. Continue to upgrade City's new website and add new features for transparency and citizen's engagement.

FY 18 ISSUES

- Enable such departments as Community Development, Economic Development and Code Enforcement to perform their core functions more efficiently with the implementation of the Accela Land Management System.
- Upgrade ERP system to automate procurement process & work order, enhance transparency, enable better record keeping & auditing, and provide flexible user-friendly report generation tool set.
- Maintaining a fully staffed department to achieve the goal of being recognized as a high performance team that transform key government processes;
- Plan and reconfigure network setup for seamless migration to new city hall.

MISSION & GOALS

The mission of the City of East Point Municipal Court is to provide prompt & courteous service in an efficient professional manner while promoting justice fairly and impartially.

GOALS

1. Continue to educate the public about the rules and procedures of Municipal court.
2. Disseminate information pertaining to rehabilitative programs to at risk persons for recidivism.
3. Encouraging of professional educational training for staff to ensure the highest level of customer service to the public

OBJECTIVES

1. Continued advancement of staff through training
2. Enhancement of web access to court proceedings
3. Continued progress to paperless court procedures
4. Evaluate grant opportunities for the reduction of recidivism and aiding the mentally infirm.

FY 18 ISSUES

1. Indigent defendant representation continues to utilize a significant portion of our funding. As stated in previous years, this line item supports state mandated indigent defense and adherence to the ADA requirements for court access for language barriers and hearing impaired individuals.
2. Technology challenges with the current system created a backlog of critical tasks due to the high volume of tickets that have to be manually entered on a daily basis.

MISSION & VISION

The City of East Point Parks and Recreation Department's mission is to embody what it means to be a healthy and playful community by developing a park system that is aesthetically and functionally appealing; and offering value driven programs to residents and surrounding communities.

**GOAL**

The goal of the Parks & Recreation Department is to promote a healthy community where all residents participate in a broad range of parks, recreation and cultural enrichment activities offered at various well-maintained public facilities. The department will accomplish this by completing capital improvements at John D. Milner Sports Complex, South Commerce Park, Sumner Park, Colonial Hills Unity Park and at Jefferson Park Recreation Center. The goal of promoting a healthy community will also be accomplished by formulating an execution committee and "Friends Of" group for the East Point PATH, completing the "Model Mile" of the East Point PATH, update Parks Master Plan, increasing overall program participation by 10%, improving safety and surveillance within the parks and facilities and improving marketing and visibility.

OBJECTIVES

1. Initiate East Point PATH Master Plan:
 - a. Formulate Execution Committee
 - b. Formulate “Friends Of” Group
 - c. Complete “Model Mile”
2. Capital Improvements at South Commerce Park:
 - a. Initiate the second phase of the park construction
3. Capital Improvements at Sumner Park:
 - a. Removal of invasive species; and
 - b. Address parking lot issues
4. Capital Improvements at Jefferson Park Recreation Center:
 - a. Renovations to Courtyard
 - b. Renovations to Offices
5. Capital Improvements at John D. Milner Sports Complex:
 - a. Repair walking lights
 - b. Install new multipurpose field
6. Increase overall program participation by 10%:
 - a. Add banners throughout the City;
 - b. Continue to improve the quality of volunteer coaches;
 - c. Continue to partner with local organizations;
 - d. Continue to host camps and events specific to the program; and
 - e. Improve social media presence
7. Improve safety and surveillance within parks and facilities:
 - a. Update surveillance systems
 - b. Remove trees and invasive species at Parks
8. Update 10 Year Parks Master Plan

Performance Measures

MISSION

The Department of Planning & Community Development facilitates and supports all development processes and activities in the City of East Point by the provision of service to aid in the planned development of the city. The department strives to complete citizen's request within the designated frames while maintaining a customer-friendly environment.

Planning Division

Vision: The Planning Division seeks to be a progressive division of the Department of Planning & Community Development. This division balanced policies and regulations to create sustainable development and communities within the City of East Point for current and future citizens.

Mission: The purpose of the Planning Division is to recommend policies that support existing communities while promoting future development and growth via the Comprehensive Plan and Future Development Map which serve as guides for the decision making body of the City of East Point.

Permits Division

Vision: The Permits Division seeks to be an innovative division of the Department of Planning & Community Development which effectively and efficiently coordinates all permitting and plan review processes regarding renovations, tenant build-out and new construction development activities in the City of East Point.

Mission: The purpose of the Permits Division is to ensure plan review coordination occurs between the City's service delivery departments and issue permits in a timely and efficient manner.

Inspections Division

Vision: The Inspections Division seeks to be an efficient division of the Department of Planning & Community Development which provides customer-friendly building inspections and remains abreast of current industry standards and modern technologies.

Mission: The purpose of the Inspections Division is to safeguard the public health, safety and general welfare of the built environment in the City of East Point.

Business License Division

Vision: The Business License Division is a critical division of the Department of Planning & Community Development for the growth and retention of businesses in the city.

Mission: The purpose of the Business License Division is to assess and track all existing and new businesses operating in the City of East Point via licensing and regulatory fees.

GOALS

1. Continue commitment to efficient customer service;
2. Continue to inform the community (at large) of planning tools, techniques and processes;
3. Maintain the website as a user-friendly and efficient information tool;
4. Continue cross training of personnel;
5. Enhance the Department's library to remain abreast of current topics;
6. Support continuing education and training for staff;
7. Support continuing education and training for Planning & Zoning Commissioners.

OBJECTIVES

1. Provide correct requested information to customers in a timely manner
2. Continuously update website, forms and applications available in office
3. Operations continue in the absence of personnel
4. Present new and innovative tools that can be implemented in East Point
5. Conduct two (2) *Planning 101* informational meetings for the public

FY 18 ISSUES

- Need for new department vehicles
- Need for an f HP Plotter & Scanner system
- Shortage of staff in two areas
- Technology upgrades for staff and Planning & Zoning Commissioners
- Transition from manual to On-line Permitting & Plan Review
- Digital storage for approved, permitted plans
- Implementing *Multi-Family Residential Inspection Ordinance*
- *Clean City Initiative -Distressed Properties Abatement Program (50 Worst)*

MISSION

The mission of the East Point Police Department is to protect and service residents and visitors to the City of East Point.

GOAL

To reduce crime in an ethical and cost effective manner by providing a safe and secure environment for the community and police staff while promoting excellence in the delivery of police services. This will be accomplished by reducing crime by 5% in the most cost effective manner; maximizing the delivery of customer service to enhance quality of life; and advancing the professional development of police department personnel.

OBJECTIVES

1. Deploy patrol and investigative personnel based on an analysis of crime patterns and trends to reduce the occurrence of criminal activity;
2. Increase police visibility to deter illegal activities in high crime areas by utilizing administrative patrol assignments;
3. Employ a proactive approach to crime prevention and reduction through professional reporting, skilled investigation, apprehension, and aggressive prosecution of offenders;
4. Investigators will contact victims within 48 hours of receiving crime reports to provide exceptional customer service that contributes to a better quality of life;
5. To provide callers and visitors with prompt, courteous, and competent service to avoid and / or reduce complaints; and
6. Enhance the professional development of personnel by facilitating requests to attend general, specialized, and advanced training that will increase the effectiveness and efficiency of the police department.

FY 18 Highlights

The City of East Point experience a drop in crime by nearly 6%

Homicides decrease by 50% when compared to same period in 2016.

MISSION

The mission of Code Enforcement is to provide a clean, safe, and beautiful City for all to enjoy.

GOAL

The goal of Code Enforcement is to monitor the city of compliance to city rules and ordinances; maximize the delivery of customer service to contribute a high quality of life; and advance professional development of Code Enforcement personnel. This will be accomplished by training personnel to obtain G.A.C.E levels 1, 2 and 3 certifications and training; actively executing the improvement of properties from the designated “50 worst properties list”; and fully staff the department to ensure efficiency in the city.

OBJECTIVES

1. Identify areas that contribute to crime (i.e. dilapidated houses, overgrown lots, and abandoned automobiles) and enforce the appropriate city code to aid in a 3% reduction in crime;
2. Report to the Field Operations Division criminal activity observed while conducting inspections to aid in the 5% crime reduction;
3. Respond to inquiries and complaints within 48 hours of receipt to provide excellent customer service that improves the quality of life for all citizens;
4. Increase positive interaction with property and business owners to encourage an environment conducive to voluntary compliance;
5. Conduct four (4) public safety blitzes focusing on each Ward (A B C and D) with the assistance of the fire department; and
6. Participation in the Citizen Police Academy criteria to educate the public with enforcement and restrictions involved with Code Enforcement issues.

FY 18 ISSUES

- Monitoring vacant and abandon properties to avoid squatting; and
- Continue to monitor our 50 worst properties for compliance

MISSION

The mission of the City of East Point Municipal Jail is to ensure that the jail is operated in a safe, secure, humane, and legal manner.

GOAL

The goal of the jail division is to maintain effective security and control of the inmates; to improve jail operation; to provide training for jail staff; and to improve delivery of customer service.

OBJECTIVES

1. To ensure that the Municipal Jail is in compliance with state guidelines pertaining to jail operations;
2. To inspect the Municipal Jail and review incident reports, inmate grievances, disciplinary actions, and related operational reports to identify problem areas on an annual basis; and
3. To facilitate the development of highly trained, proficient personnel by having jailers attend courses specific to jail operations. This will allow for continuous improvement of the service delivery and steadfast quality customer service.

FY 18 ISSUES

- Issues are evolving with the water pressure in the Jail Division located within the cell blocks;
- The cell blocks that house inmates have very low water pressure and we are currently investigating the cause and a solution to the problem. We are requesting money within the Capital Purchases budget to hopefully have the problem corrected;
- We are currently housing inmates for the City of Fairburn, City of Hapeville and City of College Park; and
- This has significantly increased the amount of budgeted monies for Operating Supplies and for Inmate per week food purchases.

Measurement Description	FY16	FY17	FY18

MISSION

This office will utilize current technology to enhance services and improve the reach by those services throughout the city. We will operate efficiently to deliver the highest quality services at the lowest possible cost to the taxpayers of East Point.

GOAL

To exceed previous expectations by ensuring the highest level of service possible using technology, tools and services to assist our taxpayers in transacting business with our office.

OBJECTIVES

1. To increase the previous years' collection percentage;
2. Improve taxpayer perception of customer service in the Tax Division;
3. To prep and post delinquent properties for tax sales;
4. Conduct informative meetings with taxpayers, HOA's and businesses

FY18 ISSUES

- Lack of personnel to become a fully functional Property Tax Division;
- Inadequate property/people tracing programs in place;
- Properties sold or transferred not adequately updated;
- Vacant properties, foreclosures and unemployment affecting tax revenues

Fleet Division

The mission of the Fleet Operations Division (FOD) is to provide safe, dependable operating vehicles and heavy duty equipment. The goal is to consistently provide an outstanding service to our internal and external customers, while providing professional and excellent services in a cost effective manner.

OBJECTIVES

The Fleet Division's program objective is to complete ninety-five percent (95%) or better of the work generated within the FY18 budget year:

- a. Continue to create a new culture within the fleet division of providing excellence first to our customers; and
- b. Create cost cutting methods for each vehicle and maintain a preventative maintenance schedule for optimal repair to prevent downtime;
- c. Optimizing the use of the newly installed Fuel Management System
- d. Minimize outsourcing of repairs to save the City money;
- e. Effective scheduling to prevent minor breakdowns.

Performance indicator(s) - the completion of generated work orders (outstanding vs. completed):

- a. Document inspection and maintenance procedures;
- b. Update inventory and inspection reports;
- c. Improve working order tracking;
- d. Update productivity and performance reporting; and
- e. Implementation of in-house work order backlog reduction and preventive maintenance strategies.
- f. Improve technicians knowledge of all current technology to be an effective employee

Roads & Drainage Division

The mission and goal of the Roads & Drainage Division is to continue to perform the highest level of comprehensive maintenance, repairs and emergency response task within the city roadways and right of ways. The mission is to maintain and improve roadways, sidewalks and storm water drainage system. Meeting the projection of the mission the Roads & Drainage division will meet the set goals which will enhance the citizens of East point with an environment that meet federal environmental standards, improved roadways and safer community to travel through. This will be performed in accordance with established performance standards and the level of required service.

OBJECTIVES

1. Roads and Drainage's program objective is to complete ninety percent (90%) or better of the work orders generated within the FY18 budget year. The maintenance and repairs will be within the City's right of ways and roadways to meet the highest level of service:
 - a. Continue to complete work order information as paperless as possible;
 - b. Continue to distribute man hours as needed to multi task within the division;
 - c. Continue to strive to reduce staff overtime.
2. Performance indicator(s) - the completion of generated work orders (outstanding vs. completed):
 - a. Document inspection and maintenance procedures;
 - b. Update inventory and inspection reports;
 - c. Improve working order tracking;
 - d. Utilization of the GUI work order system to track labor, material, equipment and daily work order backlogs
 - e. Implementation of in-house work order backlog reduction and preventive maintenance strategies.
 - f. Increase GIS training, accessibility and utilization within each of the operation centers.
 - g. Perform needs assessments to better define and prioritize funding needs and requirements
3. Completing performance goals by utilizing the following:
 - a. Service distribution and production schedule;
 - b. Maintenance priority scheduling;
 - c. Material and equipment inventory tracking; and
 - d. Routine safety and equipment operation training.

FY18 Department Performance Measures

Measurement Description	FY 16	FY17	FY18
Work Order / Demand Measure	Actual	Projected	Target
Demand Measures			
Scheduled 60.7 miles 6month ROW Mowing (measured in miles)	254	309	328
Efficiency Measures	70%	85%	90%
Scheduled Drainage Ditch Maintenance (measured in miles, MS4 required 20% annually)	25	30	45
Efficiency Measures	20%	25%	45%
Workload Measures			
Work Order Service Request (moving furniture, litter patrol and various laboring request)	101	100	100
Efficiency Measures: Completed W/O	100%	100%	100%
Leaf Vacuum Collection (6 month program measured in tons)	894	900	925
Efficiency Measures	100%	100%	100%

Measurement Description	FY 16	FY17	FY18
	Actual	Projected	Target
Demand Measures			
Pothole Repair	161	90	80
Tree Root Removal from Roadways	54	48	45
Street Sign Replacement	5,488	5,272	4821
Workload Measures			
Pothole Repair	161	90	80
Tree Root Removal from Roadways	54	48	45
Street Sign Replacement	216	451	2000
Efficiency Measures			
Pothole Repair	161	90	80
Tree Root Removal from Roadways	54	48	45
Street Sign Replacement	216	451	2000
Effectiveness Measures			
Pothole Repair	100%	100%	100%
Tree Root Removal from Roadways	100%	100%	100%
Street Sign Replacement	4%	9%	40%

Performance measures are based on the actual inspection completed compared to the minimum state required standards for inspection.

Transportation Division

The mission of the Transportation Division is to improve the City’s driving, transit, walking, and biking facilities as to promote traffic flow, commerce, and economic development, thereby improving the quality of life for residents.

1. Increase the quality of pavement and sidewalks throughout the city;
2. Provide a more efficient transportation system for motorists and pedestrians; and
3. Coordinate with the Atlanta Regional Commission (ARC), Fulton County and Georgia Department of Transportation (GDOT) in the development and management of federally state and locally funded projects.

OBJECTIVES

1. Transportation’s program objective is to begin design or construction of one-hundred percent (100%) of the projects approved for the Transportation Division in the FY17 budget year. Complete specific objectives as follows:
 - a. Increase the City’s Pavement Condition Index by utilizing recommendations from the Pavement Management Program;
 - b. Implement recommendations from the South Fulton Comprehensive Transportation Plan;
 - c. Maintain the City’s Local Administered Project (LAP) Certification from the Georgia Department of Transportation (GDOT);
 - d. Maintain participation in the GDOT Local Maintenance and Improvement Grant (LMIG) and utilize LMIG funds to improve the City’s sidewalks and roadways; and
 - e. Move all federally funded project towards construction

2. Performance indicator(s):

- a. Begin coordinating with contracts and procurement early in the budget year in order to release RFP and ITBs sooner;
- b. Develop and on-call engineering system in order to provide a more efficient and effective engineering consultant services when required.

The City of East Point Power Department is charged with providing power to the Residential and Commercial Customers of the City. The department when fully staffed consists of thirty four employees including an electrical director and project manager.

MISSION

The Mission of East Point Power is to provide excellent electrical energy and power service to all of City of East Point citizens, businesses, and commercial customers, in a safe, reliable, and cost effective manner.

GOALS

Fleet goals are to replace aging fleet vehicles to include; replace Wire Puller and replace two Tree Trimming Bucket trucks. Project and Programs Initiatives Goals are to replace older AMI residential meters for the new AMI/R system; conduct wood pole inspections and replacement; to conduct additional energy audits for customers; to install new SCADA System; upgrade Voltage Regulator in two Substations, replace aging three phase reclosers on primary system, to conduct a preliminary electric systems study; and to install LED streetlights throughout the City.

OBJECTIVES

1. Safety: Perform regular inspections on all vehicles and employee protective devices to minimize accidents and promote a safe working environment;
2. Wood Pole Inspections: In its effort to reduce risk from accidents, East Point Power will inspect the Electrical Substation and its circuits in FY 2017;
3. New Electrical Infrastructure: New electrical infrastructure and capsitors will be installed to reduce line loss.

FY 18 ISSUES

- Wood Pole inspections and replacements;
- Retention of qualified and competent Line Workers and employees at retirement age;
- Budget constraints on projects for new businesses; and
- Aging fleet of vehicles causing expensive repairs for maintenance.

Performance Measures

MISSION

It is the mission of the City of East Point Sanitation Department to collect solid waste from our customers in a safe and effective manner and to protect the environment and keep the City of East Point Beautiful.

GOALS

The goals of the Solid Waste Department are as follows:

- To provide timely collection services to the citizens of East Point.
- To identify operational issues that could prevent the timeliness of collection services, and take steps to correct these issues.
- To respond in a timely fashion to any concerns or questions raised by citizens, and resolve these concerns or questions quickly and courteously.

OBJECTIVES

The objectives of the Solid Waste Department are as follows:

- To operate all vehicles and equipment in a safe manner, so as to minimize the possibility of accidents and/or injury to employees and citizens, protect the environment and preserve City equipment and citizen property.
- To manage the fiscal resources that have been provided to the Department in the most efficient manner possible.
- To cooperate with and provide information to other city departments, senior management and the City Council.

FY 18 ISSUES

- Reduce the number of Commercial Hauler down to one
- Explore providing in-house Recycling
- Explore implementation of automated yard Waste Collection System.

MISSION

It is the mission of the Storm Water Division to protect and enhance the quality of life of all the citizens in the City of East Point. Provide for the collection, and conveyance of Storm Water runoff and Flood Management service in accordance with all federal, state and local regulations in the safest, most efficient, and cost effective manner possible.

GOALS

The goals of the Storm Water Division are to treat our customers, the citizens of East Point respectfully and proactively address their concerns by providing the services necessary to meet their needs in the most efficient manner possible; to build, operate, and maintain a quality infrastructure that promotes and protects the public health, safety, and welfare by efficiently collecting, and conveying storm water runoff; to develop, promote, and enforce sound engineering design and construction practices within the City that promote and encourage "No Adverse Impact"; to protect and nurture the environment by enhancing the water quality in the City and surrounding area through the use of innovative practices and standards and to meet and/or exceed all federal, state, and local regulations and water quality standards.

OBJECTIVES

1. Manage the proposed Storm Water Utility Program;
2. Meet the Federal and State Compliance of the NPDES Phase 1 MS4 requirements;
3. Oversee the City Ordinance for Floodplain/Post Development Storm Water;
4. Mitigate repetitive loss properties;
5. Acquire and relocate flood prone structures;
6. Protect and restore open space;
7. City-wide Floodplain Home Ranking & Evaluation;
8. Implement a Rip-Rap Program; and
9. Comply with Federal requirements to keep our ranking of seventh (7th) in the Community Ranking System

FY 18 ISSUES

- Continue to develop an Inventory of the City's storm water infrastructure to address compliance requirements to identify illicit discharges and asset management; and
- Green Infrastructure / Retrofit program is needed to comply with MS4 Permit

MISSION

The Water and Sewer Department mission is to provide progressive, administrative oversight and management of City's resources, external funding, procurement and budget matters necessary to insure the goals, objective and operations strategies for the City of East Point's Water Resources are successfully implemented am on target to meet the needs of those we serve.

**GOALS**

Over the next several years the Water & Sewer Department envisions a program that meets the needs of an aging system and provides the product and services to those we serve. The challenge will be met with a renewed commitment to improve and expand operations and maintenance and C.I.P services through comprehensive strategic planning and implementation designed to meet fully funded short-term and long-term goals.

OBJECTIVES

1. To improve productivity by providing oversight and management of personnel finance, procurement and budget matters necessary to ensure goals, objectives and strategies are successfully implemented and on target;
2. To provide code compliance and enforcement of City Ordinances;
3. Review and update City of East Point standards to incorporate the latest construction standards and specifications;
4. Implement service distribution and production schedule; and
5. Develop productivity analysis and performance reporting.

TOTAL	\$ 18,187,104	\$ 17,921,222	\$ 24,372,740	\$ 20,982,045

Account Number: A system of numbering used to categorize or "group" accounting transactions into common areas, such as salaries, rent, and utilities expense. Account numbers are the numerical equivalent of descriptive terms; e.g., the number 512 represents the account number for regular salaries.

Accounting Period: A period at the end of which and for which financial statements, budgets, or other reports are prepared, typically an annual period. The City's annual accounting period begins July 1 and ends June 30.

Accounting Procedures: All processes which identify, record, classify and summarize financial information to produce financial records.

Accounting System: The total structure of records and procedures which identify, record, classify, summarize and report information on the financial position and results of operations of a government.

Accounts Payable: A liability account reflecting amounts on open accounts owed to others for goods and services received by the City.

Accounts Receivable: An asset account reflecting amounts owed on open accounts from others for goods and services furnished by a government.

Accrual Basis: The basis of accounting under which transactions are recognized when they occur, regardless of the timing or related cash flows.

Ad Valorem Tax: A tax levied on the assessed value of real property. This tax is also known as property tax.

Amortization: (1) Gradual reduction, redemption or liquidation of the balance of an intangible asset or liability according to a specified schedule of times and amounts. (2) Provision for the extinguishment of a debt by means of periodic payments.

Appropriation: An authorization granted by a legislative body to incur obligations and to expend public funds for a stated purpose. An appropriation is usually limited in amount and as to the time when it may be expended.

Assessed Valuation: A valuation set upon real estate or other property by a government as a basis for levying taxes.

Audit: A methodical examination of the utilization and changes in resources. It concludes in a written report of the findings. A financial audit is a test of management's Financial statements and internal accounting control procedures to determine the extent to which: internal accounting controls are both available and being used; and to determine whether the financial statements fairly present the City's financial condition and results of operations.

Balanced Budget: A budget in which planned funds available equal or exceed planned expenditures.

Bond: A written promise to repay a specified sum of borrowed money, called the face value of principal amount, at a specified date or does in the future, called the maturity date(s), together with periodic interest at a specified rate. The difference between a note and a bond is that the latter typically runs for a longer period of time.

Budget: A plan of financial operation embodying an estimate of proposed expenditures for a given period and the proposed means of financing them. Used without any modifier, the term usually indicates a financial plan for a single fiscal year.

Budget Adjustment: A legal procedure utilized by City staff to revise a budget appropriation. The Finance Director has the authority to adjust expenditures within departmental budgets according to budget policy, but no change in the total budget can occur without approval of the East Point City Council.

Budget Calendar: The schedule of key dates or milestones, which the City follows in the preparation, adoption, and administration of the budget.

Budgetary Basis: This refers to the basis of accounting used to estimate financing sources and uses in the budget. This generally takes one of three forms: GAAP, Cash, or modified accrual.

Budgetary Control: The control or management of a government or enterprise in accordance with an approved budget for the purpose of keeping expenditures within The limitations of available appropriations and available revenues.

Capital Improvement Plan CIP: A plan for purchasing capital expenditures over a period of years to meet capital needs arising from the long-term work program or otherwise. It sets forth each project or other contemplated expenditure in which the government is to have part and specifies the full resources estimated to be available to Finance the projected expenditures.

Capital Outlay: An expenditure for the acquisition of, or addition to, a fixed asset. Items acquired for less than \$ 5,000 are not considered capital outlay.

Contingency: Funds set aside for future appropriation with the approval of the East Point City Council.

Cost Allocation: A method used to charge Internal Service Funds and Enterprise Funds for their share of central administration costs.

Current Assets: Those assets, which are available or can be made available to finance current operations or to pay current liabilities. Those assets, which will be used or converted into cash within one year. Some examples are cash, short-term investments and taxes receivable which will be collected within one year.

Debt Limit: The maximum amount of gross or net debt which is legally permitted.

Debt Service: The payment of principal and interest on borrowed funds, such as bonds.

Debt Service Requirement: The amount of money required to pay interest on outstanding debt, serial maturities of principal for serial bonds and required contributions to accumulate monies for future retirement of term bonds.

Deficit: An excess of liabilities and reserves of a fund over its assets.

Depreciation: The decrease in value of physical assets due to use and the passage of time.

Distinguished Budget Presentation Program: A voluntary program administered by the Government Finance Officers Association to encourage governments to publish efficiently organized and easily readable budget documents, and to provide peer recognition and technical assistance to the fiscal officers preparing them.

Encumbrance: An amount of money committed for the payment of goods and services not yet received or paid for.

Enterprise Fund: A self-supporting fund designated to account for activities supported by user charges. Examples are water, solid waste and sewer funds.

Entitlement: The amount of payment to which a state or local government is entitled as determined by the federal government pursuant to an allocation formula contained in applicable statutes.

Expenditure: This term refers to the outflow of funds paid or to be paid for an asset obtained or goods and services obtained regardless of when the expense is actually paid. This term applies to all funds.

Financial and Compliance Audit: An examination leading to the expression of an opinion on (1) the fairness of presentation of the audited entity's basic financial statements in conformity with generally accepted accounting principles (GAAP), and (2) the audited entity's compliance with the various finance related legal and contractual provisions used to assure acceptable governmental organizational performance and effective management stewardship. Public sector oversight bodies typically require independent

auditors to include responses to standardized legal compliance audit questionnaires in financial and compliance audit reports.

Fiscal Year: A 12-month period to which the operating budget applies and at the end of which a government determines its financial position and the results of its operations. For the City, the fiscal year begins on July 1 and ends on June 30.

Fixed Assets: Assets of a long-term character which are not intended to be sold for profit, but which are to be used in an organization's normal course of business, such as land, buildings, and improvements other than buildings, machinery, and equipment.

Franchise: A special privilege granted by a government permitting the continuing use of Public property, such as city streets, and usually involving the elements of monopoly and regulation.

Fund: A set of interrelated accounts to record assets, liabilities, equity, revenues, and expenditures associated with a specific purpose.

Fund Balance: The fund equity (excess of assets over liabilities) of governmental funds and trust funds.

Fund Type: In governmental accounting, all funds are classified into seven generic fund Types: General, Special Revenue, Debt Service, Capital Projects, Enterprise, Internal Service, and Trust and Agency.

GAAP: Generally Accepted Accounting Principles as determined through common practice or as promulgated by the Governmental Accounting Standards Board, Financial Accounting Standards Board, or various other accounting standard setting bodies.

General Fund: A fund containing revenues such as property taxes not designated by law for a special purpose. Some of the departments that are part of the General Fund include, City Administration, Economic Development, Planning & Zoning, Parks & Recreation, and Police.

General Obligation Bonds: Bonds for the payment of which the full faith and credit of the issuing government is pledged.

Grants: Contributions or gifts of cash or other assets from another government to be used or expended for a specific purpose, activity or facility.

Interfund Transfers: Contributions and operating transfers made to another fund of the City.

Line Item Budget: A budget that lists each expenditure category (salary, materials, services, etc.) separately, along with the dollar amount budgeted for each specified category.

Intergovernmental Revenues: Revenues from other governments in the form of grants, entitlements, shared revenues or payments in lieu of taxes.

Investments: Securities, bonds and real property (land or buildings) held for the production of revenues in the form of interest, dividends, rentals or lease payments. The term does not include fixed assets used in the normal course of governmental operations.

Levy: (Verb) to impose taxes, special assessments or service charges for the support of governmental activities. (Noun) The total amount of taxes, special assessments or service charges imposed by a government.

Liabilities: Debts or other legal obligations arising out of transactions in the past which must be liquidated, renewed, or refunded at some future date. This term does not include encumbrances.

Millage: The tax rate on real property based value.

MCT: Municipal competitive trust fund

Modified Accrual Basis: The accrual basis of accounting adopted to the governmental Fund type. It is a modified version of the full accrual basis of accounting that, in general, Measures financial flow (tax and spend) of an organization, rather than capital Accumulation (profit or loss).

Obligations: Amounts which a government may be required legally to meet out of its resources. They include not only actual liabilities, but also liquidated encumbrances.

Operating Costs: Outlays for such current period items as expendable supplies, contractual services, and utilities.

Ordinance: A formal legislative enactment by the governing board of a municipality. If it is not in conflict with any higher form of law, such as a state statute or constitutional provision, it has the full force and effect of law within the boundaries of the municipality to which it applies. The difference between an ordinance and a resolution is that the latter requires less legal formality and has a lower legal status. Ordinarily, the statutes or charter will specify or imply those legislative actions which must be by ordinance and those which must be by resolution.

Personnel Costs: Refers to all costs directly associated with employees, including salaries and fringe benefits.

Professional Services: Expenditures incurred by the City to obtain the services of recognized, licensed professionals such as doctors, engineers, certified public accountants, etc.

Program: A program is a distinct, clearly identifiable activity, function, cost center, or organizational unit which is budgeted as a subunit of a department. A program budget utilizes the separate program budgets as its basic component.

Property Tax: A tax levied on the assessed value of real property. This tax is also known as ad valorem tax.

Reclassification: The moving of an existing position from one personnel classification (title) to another based on a study by the Human Resources Department that the person is performing the duties of a classification other than that in which the employee is currently placed.

Reserve: (1) An account used to earmark a portion of fund balance to indicate that it has been earmarked for a particular purpose; and (2) an account used to earmark a portion of fund equity as legally segregated for a specific future use.

Resolution: A special or temporary order of a legislative body; an order of a legislative body requiring less legal formality than an ordinance or statute.

Retained Earnings: An equity account reflecting the accumulated earnings of an Enterprise or Internal Service Fund.

Revenue Bonds: Bonds whose principal and interest are payable exclusively from earnings of an Enterprise Fund. In addition to a pledge of revenues, such bonds sometimes contain a mortgage on the Enterprise Fund's property.

Statute: A written law enacted by a duly organized and constituted legislative body.

Surplus: An excess of the assets of a fund over its liabilities and reserved equity.

Taxes: Compulsory charges levied by a government for the purpose of financing services performed for the common benefit. Taxes levied by the Fulton County are approved by the City Council and are within limits determined by the State.

Tax Rate: The amount of tax stated in terms of a unit of the tax base. For example, 25 mills per dollar of assessed valuation of taxable property.

Taxable Value: The assessed value of property minus the homestead exemption and any other exemptions which may be applicable.

Temporary Position: A temporary position is filled for a specified period of time, is not permanent in nature, and does not qualify for regular City benefits.

User Charges: The payment of a fee for direct receipt of a public service by the party benefiting from the service.

Proposed Fee Schedule Fiscal Year 2018

Solid Waste Fees/ Rates Charges

Minimum charge for oversized yard waste	\$50.00 per pick up
Oversized yard waste, per cubic yard/Excess yard waste ,per cubic yard	\$10.00
Bulk Material discarded appliances (which goods) or large items of furniture	\$35.00/ per collection for one item, with a ten dollar(10.00) charge for each additional item to be picked up during the same appointment
Replacement of the 95 gallon cart	\$60.00 if lost or stolen
Multifamily residences with a central dumpster	\$18.00 per month
Residence with 95 gallon cart	\$21.50 per month/additional cart \$6.00
Private Hall Franchise Fee	(20) percent of the franchisee's gross receipts for all commerical solid waste collection service performed within the City

Storm Water Rates

The Residential Properties Storm Water Utility Fees calculations are as follows:

1. "Single-Family Residential Properties" that have an Impervious Surface Area of Less Than one thousand seven hundred sixty-nine (1,769) square feet have a fee of .55 of SFU Base Rate \$9.15. Calculation: .55 times \$9.15 equals to a monthly rate of \$5.033 or \$60.39 annually.
2. "Single-Family Residential Properties" that have an Impervious Surface Area between 1,769 sq. ft. and 4,735 sq. ft. have a fee of the Base Rate of 1.0 of SFU Base Rate of \$9.15. Calculation: \$9.15 monthly rate or \$109.80 annually.
3. "Single-Family Residential Properties" that have an Impervious Surface Area over 4,735 sq. ft. have a fee of the Base Rate of 1.48 of SFU Base Rate of \$9.15. Calculation: 1.48 times \$9.15 equals to a monthly fee of \$13.542 or \$162.50 annually.

Other Residential properties that include apartments, condominiums, duplexes, triplexes, mobile homes, townhomes and multifamily.

1. Triplexes, Condominiums and Townhouses have an adjustment factor of .39. Calculation: .39 times \$9.15 equals to a monthly fee of \$3.568 or \$42.82 annually.
2. Residential Multifamily, Condominium Lofts have an adjustment factor of .33. Calculation: .33 times \$9.15 equals to a monthly fee of \$3.019 or \$36.23 annually.
3. Duplexes have an adjustment factor of .51. Calculation: .51 times \$9.15 equals to a monthly fee of \$4.666 or \$55.99 annually.
4. Mobile homes have an adjustment factor of .46. Calculation: .46 times \$9.15 equal a monthly fee of \$4.209 or \$50.51 annually.

Non-residential Properties shall mean, but limited to, commercial and office buildings; industrial, and manufacturing building; storage building and storage areas covered with impervious surfaces; parking lots; parks and recreation properties, public and private schools, universities, research stations, hospital and convalescent centers, airports, churches and agricultural uses covered by impervious surfaces (examples: pavement, compacted gravel, driveways, parking areas, rooftops, etc.)

The service fee for nonresidential properties shall be the SFU (Single Family Unit) rate multiplied by the number of SFU's calculated for a given parcel. The SFU's for a given parcel shall be determined by dividing the parcel's impervious surface by 3,200 square feet.

Example:

$$\frac{200,000 \text{ sq. ft. impervious surface} \times \$9.15 \text{ per month} \times 12 \text{ months}}{\text{Divided by } 3200 \text{ SFU}} = \$6,862.50$$

City of East Point Water and Sewer Rate Schedule

(Effective 08/2011)

Jurisdiction: EP CITY OF EAST POINT
 Service: WA WATER
 Service: SR SEWER

WATER		
<i>Consumption (thousands of gallons)</i>	<i>Meter Size</i>	<i>Charge</i>
Base Charge WATER (includes first 3 thousand gallons)	3/4"	\$24.25
	1"	\$43.03
	1 1/2"	\$74.33
	2"	\$111.89
	3"	\$199.53
	4"	\$324.73
	6"	\$637.73
	8"	\$1013.33
4 to 7	\$3.91 per thousand gallons	
8 to 15	\$4.89 per thousand gallons	
16 and above	\$6.84 per thousand gallons	

SEWER		
<i>Consumption (thousands of gallons)</i>	<i>Meter Size</i>	<i>Charge</i>
Base Charge WATER (includes first 3 thousand gallons)	3/4"	\$23.55
	1"	\$32.87
	1 1/2"	\$48.39
	2"	\$67.02
	3"	\$110.49
	4"	\$172.59
	6"	\$327.84
	8"	\$514.14
4 and above	\$5.78 per thousand gallons	

City of East Point Residential SINGLE FAMILY Water and Sewer Rate Schedule

Jurisdiction: EP CITY OF EAST POINT
 Class code: RE RESIDENTIAL SINGLE FAMILY
 Service: WA WATER
 Service: SR SEWER
 Meter size: 01 3/4 or 5/8 INCH METER

WATER	
<i>Consumption (thousands of gallons)</i>	<i>Charge</i>
Base Charge WATER (includes first 3 thousand gallons)	\$24.25
4 to 7	\$3.91 per thousand gallons
8 to 15	\$4.89 per thousand gallons
16 and above	\$6.84 per thousand gallons

SEWER	
<i>Consumption (thousands of gallons)</i>	<i>Charge</i>
Base Charge SEWER (includes first 3 thousand gallons)	\$23.55
4 and above	\$5.78 per thousand gallons

Example: A single family residence with a consumption of 5,000 gallons		
Water Base Charge (includes first 3,000 gallons)		\$24.25
Water Usage Charge	\$3.91 charge x 2tgls =	\$7.82
Sewer Base Charge (includes first 3,000 gallons)		\$23.55
Sewer Usage Charge	\$5.78 charge x 2tgls =	\$11.56
TOTAL		\$67.18

City of East Point Residential MULTI-UNIT Water and Sewer Rate Schedule

Jurisdiction: EP CITY OF EAST POINT
 Class code: RM RESIDENTIAL MULTI-UNIT
 Service: WA WATER
 Service: SR SEWER
 Meter size: 01 3/4 or 5/8 INCH METER

WATER	
<i>Consumption (thousands of gallons)</i>	<i>Charge</i>
Base Charge WATER (includes first 3 thousand gallons)	\$21.77
4 to 7	\$3.91 per thousand gallons
8 to 15	\$4.89 per thousand gallons
16 and above	\$6.84 per thousand gallons

SEWER	
<i>Consumption (thousands of gallons)</i>	<i>Charge</i>
Base Charge SEWER (includes first 3 thousand gallons)	\$22.32
4 and above	\$5.78 per thousand gallons

Example: 290-unit apartment complex with a consumption of 2,000,000 gallons or 2,000 tgl

Water Base Charge	290 units x \$21.77 =	\$6,313.30	(includes 870 tgl: 290 units x 3,000 gallons)
Water Usage Charge	1,130 tgl x \$3.91 =	\$4,418.30	
Sewer Base Charge	290 units x \$22.32 =	\$6,472.80	(includes 870 tgl: 290 units x 3,000 gallons)
Sewer Usage Charge	1,130 tgl x \$5.78 =	\$6,531.40	

TOTAL	\$23,735.80

Parks & Recreation

Requested Item/Project	Justification	Proposed Expenditures For Planning Years					Proposed Five Year Total	Funding Source
		FY2018	FY2019	FY2020	FY2021	FY2022		
6122 - Parks & Recreation Maintenance								
Landscape Truck	The truck will be 10 years old in 2017 and has endured years of wear and tear. A new truck will allow us to split the teams, decrease wear and tear on this truck, and be more efficient maintaining the park system.	\$ 50,000	\$ -	\$ -	\$ -	\$ -	\$ 50,000	General Funds
Total Park Maintenance Expenditures		\$ 50,000	\$ -	\$ -	\$ -	\$ -	\$ 50,000	
Funding Source								
MCT Funds/General Funds		\$ 50,000	\$ -	\$ -	\$ -	\$ -	\$ 50,000	
6120 - Parks & Recreation Programs								
1) Ford Transit Wagon XLT (Van)	Replace 15 year old passenger vans currently used to transport youth and seniors during programs. The two vans being replaced are continuously in the shop. These new vans will address a safety issue.	\$ 40,000	\$ -	\$ -	\$ -	\$ -	\$ 40,000	General Funds
Connally Nature Park	Per the ten (10) year master plan: The existing rope trail that guides visitors through the champion oaks and pink lady slippers is in significant disrepair. The rope trail should be repaired or replaced entirely. According to Trees Atlanta, the trail should be rerouted as to not further damage the root system. Interpretive signage should be added to educate visitors on the significance of the environment.	\$ -	\$ 170,000	\$ 80,000	\$ -	\$ -	\$ 250,000	Grant Funds
John D. Milner Sports Complex	This park has regional draw potential. Renovations to the park are required to maintain its presence and increase its profitability possibilities. These funds will address replacement of the playground which was set fire by vandals, increased accessibility, signage, and parking lots.	\$ 50,000	\$ 100,000	\$ -	\$ -	\$ -	\$ 150,000	GRANT/General fund
Sumner Park	This park has great potential to transform into a large community park with regional draw. These funds will address increasing accessibility throughout the park, Grayson Field, invasive species removal, and resurfacing of the parking lots.	\$ 50,000	\$ 250,000	\$ 250,000	\$ 250,000	\$ -	\$ 800,000	MCT/General Funds
Sykes Park	Sykes Park is a large community park. Funds will address invasive species removal.	\$ -	\$ 75,000	\$ 75,000	\$ -	\$ -	\$ 150,000	General Funds
South Commerce Park or WARD D	The first phase of this park has been initiated. These funds will address additional amenities such as pavilions/shelters, restrooms, signage, basketball, tennis and dog park. This park is the only park currently servicing ward D.	\$ 600,000	\$ 150,000	\$ 50,000	\$ -	\$ -	\$ 800,000	GRANT/General fund
Jefferson Park Recreation Center	Currently, this is the only recreation center in the City. Extensive renovations have been done to make this facility better. There are a few remaining renovations to completely meet the needs of the community. This will address renovations to the fitness areas and kitchen.	\$ 50,000	\$ -	\$ -	\$ -	\$ -	\$ 50,000	General Funds
New Recreation Center/Complex	Currently Jefferson Park Recreation Center is the only recreation facility in the City of East Point. Adding another facility has the potential to provide a number of community amenities. It will also allow for revenue generating events.	\$ 150,000	\$ 1,000,000	\$ 5,000,000	\$ -	\$ -	\$ 6,150,000	CDBG/CONTRIBUTIONS
Colonial Hills Unity Park	Park Concept Plan	\$ 100,000	\$ -	\$ -	\$ -	\$ -	\$ 100,000	MCT
Total Proposed Parks & Recreation Expenditures		\$ 1,040,000	\$ 1,745,000	\$ 5,455,000	\$ 250,000	\$ -	\$ 8,540,000	
Funding Source

		FY2018	FY2019	FY2020	FY2021	FY2022			
4440- Waterline									
2 & 4 Inch Water Main Replacement-Phase 3	This project will entail replacing 2-inch and 4-inch water mains located throughout the City with 6-inch and 8-inch pipes. There are 3 Phases . 1 & 2 are complete. The replacement of the smaller piping will eliminate frequent pipe breaks, and improve overall water service to residents in affected neighborhoods. This project is identified as a high priority project in the Water System Master Plan.	\$ 250,000	\$ 250,000	\$ 250,000	\$ -	\$ -	\$ 750,000	Water Revenue	
4430- Water Treatment Plant									
Water Valve Location and Exercising- Phase	This project will supplement work already performed as part of the GIS database updates. It will help address low flow fire hydrants that are believed to be related to closed, partially closed, and faulty valves.	\$ 150,000	\$ 150,000	\$ -	\$ -	\$ -	\$ 300,000	Water Revenue	
Loop Design System for the City of East Point Water Treatment Plant	The Water Distribution System should be looped at all possible dead end locations. When connecting to a 10' ft water main or greater and the proposed water line is 600' ft long you must install 10" water line or have a loop system; this is a water design requirement. The Loop Design enables the proper chlorination of the Water Distribution System; Upgrade workshop/meet EPD Compliance.	\$ -	\$ 400,000	\$ -	\$ -	\$ -	\$ 400,000	Water Revenue	
Booster Pump Station Design & Construction- Bond Acct Funding	This project is another top-tier priority project identified by the Water System Master Plan. It will separate the City's water system into two pressure zones and support the construction of a Water Storage Tank in the vicinity of the Camp Creek Marketplace.	\$ -	\$ 300,000	\$ 400,000	\$ -	\$ -	\$ 700,000	Water Revenue	
Work Lab	Updating laboratory equipment and renovations to meet federal and state compliance	\$ 85,000	\$ -	\$ -	\$ -	\$ -	\$ 85,000	Water Revenue	

**City of East Point
Proposed Capital Budget for FY 2018**

Requested Item	Justification	Proposed Expenditure for Planning Years					Five Year Total		
		FY2018	FY2019	FY2020	FY2021	FY2022			
Contribution to AMI Meter Project	The AMI/AMR system will automate all electric meters so that meters can be read from one central location. Electric meters will be read on a monthly basis with (30) day readings, Holidays will not affect readings. Customer's accounts for non payment can be disconnected at meter, which will save money for labor and vehicles. This system will save vehicle and labor costs. This is a ten (10) year lease program.	\$ 1,000,000	\$ -	\$ -	\$ -	\$ -	\$ 1,000,000	Water Revenue	
Emergency Water Program	When safe drinking water is not available it is an emergency. This program will help the City identify its capability to respond to its citizens and employees in case of a emergencies/disasters. The program consists of an assessment and program design and a rapid deployable water delivery system that is state of the art. This program will incorporate the City's Code Red System and work with our award winning first responders program. This is a Joint project with the Fire department.	\$ 100,000	\$ -	\$ -	\$ -	\$ -	\$ 100,000	Water Revenue	
Subtotal - Water treatment plant		\$ 1,335,000	\$ 850,000	\$ 400,000	\$ -	\$ -	\$ 2,585,000		
4331- Sewer Line									
4440-4331 Water/Sewer Line									
Purchase Low Boy Truck and Trailer	Currently the City does not have a Low Boy Truck and Trailer to transport its big Excavator and we currently pay a contractor to move this equipment for us. This is very expensive and hampers our logistics. Public Works will share the cost for this piece of equipment.	\$ 150,000	\$ -	\$ -	\$ -	\$ -	\$ 150,000	Water Revenue	
Retrofit Existing Residences (W/DUAL CHECK) (Backflows)	The installation of the dual check devices will prevent the water supply from contamination. The Safe Water Act requires installation of a Backflow prevention assembly at the water service connection to avoid the risk of cross connection. EPD Compliance.	\$ 115,000	\$ 115,000	\$ -	\$ -	\$ -	\$ 230,000	Water Revenue	
Pave driveways for Benhill Reservoir and Sweetwater Creek	The driveways for both locations are gravel and almost impossible when it gets wet. Need to pave to facilitate equipment transport during emergencies and general maintenance.	\$ 100,000	\$ 100,000	\$ -	\$ -	\$ -	\$ 200,000	Water Revenue	

**City of East Point
Proposed Capital Budget for FY 2018**

Requested Item	Justification	Proposed Expenditure for Planning Years					Five Year Total	
		FY2018	FY2019	FY2020	FY2021	FY2022		
Dredging Ben Hill Reservoir	Ben Hill Reservoir was placed in service in the early 50's and has not been resurfaced since that time. Reservoir is filled with silt and debris causing the reservoir to hold less water and must be cleaned out by dredging to its original depth in case of a drought.	\$ 60,000	\$ 500,000	\$ 500,000	\$ 500,000	\$ -	\$ 1,560,000	Water Revenue
Retainer wall (boone) at Sweet Water Creek	Retainer Wall at Sweetwater Creek is needed to push floating material including oil and petroleum products down the creek to avoid clogging the water intake system.	\$ 65,000	\$ 65,000	\$ -	\$ -	\$ -	\$ 130,000	Water Revenue
High Service Pump Room Projects	Pump # 7 will be the alternative gas emergency pump for the city. It needs to be overhauled and upgraded. Pump # 8 needs to be dismantled and sold for scrap metal. It will be replaced with an electrical motor.	\$ 165,000	\$ -	\$ -	\$ -	\$ -	\$ 165,000	Water Revenue
SCADA (Supervisory Control and Data Acquisition) system	Complete replacement for Water Treatment Plant that interfaces with AMI system.	\$ 350,000	\$ -	\$ -	\$ -	\$ -	\$ 350,000	
Sewer Line Aging Infrastructure Renovation	Televising sewer lines to geographically locate all aging sewer infrastructure and needed repairs.	\$ 200,000	\$ 600,000	\$ 600,000	\$ 600,000	\$ -	\$ 2,000,000	
Sweetwater Creek Dam	This program is essential in preserving the integrity of the dam infrastructure and avoiding costly repairs. (Federal Mandates)	\$ 350,000	\$ 1,000,000	\$ 1,000,000	\$ 150,000	\$ -	\$ 2,500,000	Reserves

**City of East Point
Proposed Capital Budget for FY 2018**

Information Technology		Proposed Expenditure for the Planning Years					Five Year	Funding Source	
Requested Item	Justification	FY2018	FY2019	FY2020	FY2021	FY2022	Total		
Office 365	City currently lacks an enterprise level licensing agreement with Microsoft for Windows and Office licenses. As a result, City purchases individual licenses as it buys new computers, tying license to a machine. When a machine become inoperable so does the licenses. The City has an insufficient number of licenses for Windows and Office applications.	\$ 176,143	\$ 176,143	\$ 176,143	\$ -	\$ -	\$ 528,429	MCT FUNDS	
New Enterprise Resource Planning System (ERP) System	The implementation of a new ERP System will not be completed until FY 2017. The new ERP System will increase reporting and efficiency of internal and external financial data and other management information.	\$ 500,000		\$ -	\$ -	\$ -	\$ 500,000	MCT FUNDS	
CAFR Software	Report software to replace the excel software and allow for more timely and accurate preparation of the Comprehensive Financial Reports.	\$ 25,000	\$ -	\$ -	\$ -	\$ -	\$ 25,000	MCT FUNDS	
Network Upgrade	As part of this project we will be replacing switches and routers in 14 field offices along with our two data centers (LEC and JS). Also, we will be installing new hardware and upgrade software from 8.5 to 10.5 for Cisco call manager and call recording system. Replacement needed for two core switches with Nexus Data Center Switching. We will also be reconfiguring the City's network for more efficient connections to the internet and datacenters. Moreover, all routers, switches and hardware will have support warranty for five years.	\$ -		\$ -	\$ -	\$ -	\$ -	Debt Funds	
Conduit Run	To decrease our cost about 40% and to increase our bandwidth, this request is to connect all locations with fiber. By the City having fiber connections for each of its 12 locations, the City will be able to get on the GTA contract for data services. Thus, enabling to reduction of its monthly internet connection bill by nearly 40%.	\$ -		\$ -	\$ -	\$ -	\$ -	Debt Funds	
**Upgrade Door Locking System -Installation of an integrated access control system	The City is currently running two disjointed door locking systems. The system at Jefferson Station and other remote sites is close to 10 years old. City Hall was recently upgraded to tap card and remote video accessibility/access. This request is to upgrade the remaining sites to the same system at City Hall.	\$ -	\$ 100,000	\$ -	\$ -	\$ -	\$ 100,000	MCT FUNDS

A New car; Electric Vehicle	IT Department has been utilizing old used cars that have been discarded by other departments for over few years. Our current car require constant repairing on a montly basis to keep it running. IT is seeking to replace current "used car" with a truck that would allow IT to move equipments such as severs, computes and printers.	\$ 36,000						MCT FUNDS
Power Generator	New Data Center at the new Government complex will require a dedicated power generator. A dedicated generator is curcial to have essential IT services online in the event of power failure. This will provide a safegard against server failure as a result of sudden power outage.		\$ 100,000					General Funds
WiFi for new Govt Center	IT plans to set up wireless connection in new Government Center complex. This will enable WIFI connetions for visitors and city employees.		\$ 80,000					General Funds
IT Business Continuity - Disaster Recovery (BCDR)	IT is requesting City provides an initial seed funding to begin setting up a redudent environment for core services. In this phase, IT will focus on establishing a "site-to-site" recovery along with a cloud backup for our core services.	\$ -	\$ 100,000					MCT Funds
