

2022

# MUNICIPAL OPTION SALES TAX

SPECIAL ELECTION

VOTE

May 24, 2022

**May 2021:** Governor Brian Kemp signed into law House Bill 160, allowing the voters of **East Point, Hapeville and College Park** to decide whether to impose a **one cent sales tax** exclusively for water and sewage infrastructure improvements. If approved by voters, the **M.O.S.T** would generate funding in East Point over a five-year period for water and sewer improvements. If approved by voters, the tax would be imposed starting September 1, 2022. For more information about the M.O.S.T Special Election, email [water\\_sewer@eastpointcity.org](mailto:water_sewer@eastpointcity.org) or visit [www.eastpointcity.org](http://www.eastpointcity.org).

# TAKE A LOOK AT THE PROJECTS THAT REQUIRE FUNDING IN EAST POINT

**More than 31,000 feet of water repairs are needed in East Point. Historical data places 80% of our water infrastructure at 60 years or older. Construction costs are over \$28 Million.**

**More than 1200 feet of storm-water repairs are needed in East Point. Construction costs are over \$4.3 Million.**

**More than 35,000 feet of sewer repairs are needed in East Point. Construction costs are over \$24 Million.**

**Water Treatment Plant repairs are estimated to cost over \$2 Million.**
