WATER MAIN REPLACEMENT PROJECT

WHAT TO EXPECT!!

There are a few things to expect during the waterline construction project.

- **NOISE:** Residents will encounter construction noise (9am-5pm M-F)
- **DEBRIS:** There will be some debris from construction that will conform to environmental guidelines.
- **WATER:** You may encounter water running down the street as we conduct pressure test and during the disinfection of the water line.
- **ROAD CLOSURES:** We anticipate partial road closures.
- **NO PARKING: Residents will not be able to park on the street once construction begins.**

Please **DO NOT** hesitate to reach out to the Water Resources Department if you have any questions or concerns at (404) 270-7189 or water_sewer@eastpointcity.org

OUR PROJECT

WATER MAIN PROJECT

City of East Point CIP (Capital Improvement Budget) has received 2.5 million dollars of funding from Georgia Environmental Finance Authority (GEFA) to improve the Water Line System here in East Point.

PROJECT CONSTRUCTION

This project consists of the rehabilitation of degraded/undersized water lines throughout the City of East Point. The project will replace 2 to 4 inch water lines with a minimum of 6 to 8 inch water mains and include the installation of new fire hydrants and water valves. The water main replacement work will occur within the EXISTING RIGHT of WAY and EASEMENTS.
