Greetings East Pointers,

We have engaged Developmental Associates, LLC (“DA”) to assist us with conducting a national search for our next permanent City Manager. We appreciate you and value your feedback. DA is developing a brochure that will be used to solicit and recruit applicants. Please click the link below to complete the brief survey by April 19, 2024 so that your voice can be heard as the recruiting brochure is drafted. A hard copy of the feedback form can be obtained at the first floor receptionist desk at City Hall (2757 East Point Street).
