

UTILITY RELEASE INSPECTION REQUEST: POWER AND/OR WATER:

PLANNING & COMMUNITY DEVELOPMENT eastpointcity.org

2757 East Point Street, East Point, GA 30344 | Phone: (404) 669-4399, option 2 | Email: inspections@eastpointcity.org

IMPORTANT INFORMATION:

This type of request can only be used when:

- Utilities have been off/terminated/disconnected for over a year
• Customer care is requesting this safety inspection to approve turning utilities on
• NO CONSTRUCTION permits are active or required. If any Building, Electrical and/or Plumbing permit is active, was previously active but work was never inspected, or are required to be pulled for future work.

Again, if any construction permit is required, such as a Residential Rehab, Commercial Rehab, Electrical work, etc...STOP! This request is not the proper submittal. Have contractor pull the proper permit(s) and the approval for power will be granted through issued Electrical and/or Plumbing permit at the request of the Electrician and/or Plumber.

INDEMNIFICATION

I, the property owner, agent, or licensed contractor who is submitting this release for power and/or water, acknowledge and understand that the Permits and Inspections departments of the City of East Point strongly encourage that a licensed electrician and/or plumber inspect the above location for code compliance and safety and if necessary, pull the appropriate permits to bring up to code.

However, I have chosen not to do the above and thus, hereby agree to indemnify and hold harmless the City of East Point, it's Inspectors and Permit Technicians against all liability, claims, suits, losses, costs and legal fees caused by, arising out of or resulting from any negligent act in relation to this power and/or water release.

To Be Signed by Applicant (ID of Applicant must be submitted):

Date: _____ Print: _____ Signature: _____

What's Next?

After processing and payment of \$60.00 inspection fee, your Inspection will be put in the Inspector's queue for the next available business day.
