

EAST POINT GEORGIA

ECONOMIC DEVELOPMENT PUBLIC OUTREACH

The City of East Point has begun creating its newest economic development plan. The plan will help guide us over the next ten years as we:

Attract high-quality investment and redevelopment to East Point;

Bring new businesses and jobs to the city;

Increase the quality of life for all residents.

HOW CAN THE CITY help your business grow?

WHERE DOES OUR COMMUNITY want to see investments in the coming decade?

WHAT SHOULD EAST POINT'S economic future look like?
