

ADMINISTRATIVE PERMIT APPLICATION_A

All applications must be typed or legibly printed. Each question must be complete and correctly answered. An application for an Administrative Permit shall be made no less than seven (7) days prior to the event for an event with less than two hundred fifty (250) projected attendees and no less than fourteen (14) days prior for an event with two hundred fifty (250) or more projected attendees unless road closure is proposed. If road closure is proposed, an Administrative Permit application must be made no less than forty five (45) days prior to the event. Permits issued are only valid for the dates, times and location specified in this application. Proof of non-profit status must be submitted with this application.

ADMINISTRATIVE PERMITS AND USE PERMIT GENERAL CONSIDERATIONS

In the interest of the public health, safety and welfare, the City Council may exercise limited discretion in evaluating the site proposed for a use which requires a Use Permit. In exercising such discretion pertaining to the subject use, the City Council shall consider each of the following:

1. Whether the proposed use is consistent with the Comprehensive Land Use Plan and/or Economic Development Revitalization plans adopted by the City Council
2. Whether the proposed use is compatible with land uses and zoning districts in the vicinity of the property for which the Use Permit is proposed;
3. Whether the proposed use may violate local, state and/or federal statutes, ordinances or regulations governing land development;
4. Whether the proposed use will have a negative effect on traffic flow, vehicular and pedestrian, along adjoining streets and whether any effects can be ameliorated;
5. Whether the proposed, location and number of off-street parking spaces complies with the requirements of the zoning ordinance;
6. Whether the amount and location of open space for the proposed use is adequate for the location, intensity and type of use proposed;
7. Whether protective screening is needed to ameliorate any negative effects on adjacent or nearby properties and whether any screening proposed is adequate;
8. The hours and manner of operation;
9. Whether there is any outdoor lighting proposed and its impact on adjacent and nearby properties;
10. Whether adequate ingress and egress is provided to the property on which the use is located;
11. Whether the use will produce noise, odor dust, or vibrations;
12. What remedial measures, if any, are proposed to minimize the impact of the proposed use;
13. The adequacy of the size and location of the site for the proposed use;
14. Whether adequate provisions are being proposed for refuse, security, sanitation and security areas; and
15. Whether there are other special events for which permits have been issued which may interfere with or negatively impact the proposed event.
