Dear Resident / Property Owner / Business Owner,

The City of East Point is pleased to announce the upcoming construction of sidewalk improvements along the eastbound side of Connally Drive between Judson Avenue and Collins Drive.

This project is part of the City’s continued commitment to improving pedestrian safety, accessibility, and overall transportation infrastructure within the community.

**Project Overview:**

The planned improvements include the installation of new sidewalks, grading, drainage enhancements, and associated roadway improvements to better accommodate pedestrian travel and meet current accessibility standards.

Construction for this project will be performed by **Georgia Sewer and Storm, LLC**, the City’s contracted construction firm.

**Construction Schedule:**

Construction is anticipated to begin on **Monday, April 20, 2026**, and is expected to be completed by **Monday, November 30, 2026**, weather and field conditions permitting.

**Work Hours:**

Construction activities will generally occur between **8:00 AM and 4:30 PM**, Monday through Friday, unless otherwise notified.

**Lane Closures:**

Temporary lane closures will occur between **8:00 AM to 1:45 PM** and **2:45 PM to 4:30 PM** to minimize traffic disruption.

**MAYOR**  
Keisha Chapman

**What to Expect During Construction:**

- Temporary lane closures and minor traffic delays along Connally Drive
- Construction equipment and crews working within the project limits
- Periodic noise, dust, and vibration typical of construction activities
- Temporary impacts to driveway access (advance notice will be provided when possible)
- Removal of vegetation within the project limits where necessary

**Access & Safety:**

The City of East Point and **Georgia Sewer and Storm, LLC** will make every effort to maintain access to homes and businesses throughout construction. Please use caution when traveling near work zones and follow all posted signage and directions from construction personnel.

**Stay Informed:**

Project updates will be provided as needed. We encourage residents and business owners to remain aware of changing conditions during construction.
