Dear Resident / Property Owner / Business Owner,

The City of East Point is pleased to announce the upcoming construction project along Desert Drive between Camp Creek Parkway and Redwine Road.

This project includes roadway resurfacing and the installation of new sidewalks on both sides of Desert Drive to improve safety, accessibility, and overall roadway conditions.

Construction for this project will be performed by **Vertical Earth, Inc.**, the City’s contracted construction firm.

Construction is anticipated to begin on **Monday, April 20, 2026**, and is expected to be completed by **April 20, 2027**, weather and field conditions permitting.

Note: Construction activities are subject to weather conditions and will be performed in phases. Work schedules and sequencing may vary to accommodate field conditions and minimize impacts to traffic and adjacent properties.

**Work Hours:**

Construction activities will occur during both daytime and nighttime operations:

- **Daytime (Sidewalk Work): 8:00 AM – 4:30 PM**
- **Nighttime (Resurfacing): 8:00 PM – 6:00 AM**

**Lane Closures:**

- Night lane closures will occur between **9:00 PM and 5:00 AM**

**What to Expect During Construction:**

- Temporary lane closures and traffic delays
- Daytime sidewalk construction activities
- Nighttime milling and resurfacing operations
- Construction equipment and crews working within the project limits
- Periodic noise, dust, and vibration (especially during nighttime work)
- Temporary impacts to driveway access (advance notice will be provided when possible)

**Detours:**

Detour routes will be implemented during certain phases of construction. Please refer to the attached detour plan for detailed routing information.

**Access & Safety:**

The City of East Point and Vertical Earth, Inc. will make every effort to maintain access to homes and businesses throughout construction. Please use caution when traveling near work zones and follow all posted signage and directions from construction personnel.

If you have any questions or concerns regarding this project, please contact:
